

## EMBARESSED

The scene opens up backstage where a camera crew and DEFIANCE's own favorite power lady, Kelly Evans, standing in front of a DEFIANCE MAXDEF backdrop. In the bottom right-hand corner of the screen the words "Earlier Tonight" appear. The sound is unclear as the still shot closes in on the action, with the mic finally picking up Kelly, dressed in her power lady suit, mid-recording;

**Kelly Evans:**

We are just two weeks away from the first DEFIANCE Pay Per View of Twenty Nineteen... MAXDEF!

She smiles and rubs her hands together in anticipation.

**Kelly Evans:**

And what a main event we have in store for you all. We broke the news to you all just a few days ago, but I am pleased to confirm that...

At that moment she takes a step back toward the backdrop, her attention caught as the cameraman focussing in on her promo is shoved out of the way by a pretty irate looking FIST of DEFIANCE.

**Kendrix:**

EVANS! FUCK YOUR PROMO AND FUCK DEFMAX! JFK WANT'S MIKEY UNLIKELY, ONE ON ONE, RIGHT HERE TONIGHT!

Kendrix slams the palm of his hand against the backdrop, momentarily startling the boss lady who's holding her hands out flat in front of him.

**Kelly Evans:**

Jesse, be very careful here and remember who you're talking to. Calm the fuck down!

JFK takes the FIST off of his shoulder and finely tailored suit jacket. He takes a step toward her, encroaching in her personal space and holds the title right in front of her face.

**Kendrix:**

JFK knows exactly who he's talking to. JFK is talking to the boss who, for some reason, wants to devalue this title by allowing Mikey Unlikely to even compete for it. How much did he pay you? With your negotiation and matchmaking skills I'm guessing not enough, OBVS!

Evans rolls her eyes and shakes her head back at Kendrix with a wry smile. DEFsec approaches, catching the champs, eyes but Kelly waves them off.

**Kendrix:**

Whatever, you want JFK to defend the FIST against that poor excuse for a wrestler at MAXDEF...no problem. But you owe me him one on one tonight after he embarrassed JFK two weeks ago.

**Kelly Evans:**

I owe you?

Jesse nods his head defiantly and points his index finger onto his chest.

**Kendrix:**

That's right you owe me! Mikey interfered in my business on the last show. I had Elise Ares beat and that traitor comes out of the crowd, with none of your security in sight, and lays the champ out for Elise to pick up a dirty win in my first match as the FIST!

Kelly nods her head recalling the moment and affords herself a smile...which quickly turns to a frown as she jabs her finger into Jesse's chest.

**Kelly Evans:**

So you have forgotten who I am. Let me remind you, I make the rules out here, not you. As for your embarrassed feelings, you had it coming when I had to pay Mikey's medical bills following your unprovoked and vicious assaults on him two shows in a row.

Kendrix backs up and throws the belt over his shoulder again, an impressed look on his face recollecting his handy work earlier this month.

**Kelly Evans:**

I'm glad you think that's so funny. I'd wipe that smile off your face though, champ. You may be one of the most technically savvy and opportunist performers this company has ever seen...but you know more than anybody that what Mikey lacks in technical ability, he has one hell of a knack of finding a way to get the job done, doesn't he...bruv?!

That smile completely fades from the champ's face as the realization of Evans' words sets in. The champ holds up a finger.

**Kendrix:**

Woah, firstly, don't bruv me, bruv. I'll bruv you but you don't bruv me, got it? Bruvvvvvvv?!

Evans folds her arms, not impressed while Kendrix holds up two fingers.

**Kendrix:**

And secondly, no JFK hasn't forgotten that Mikey more often than not finds a way to win...cos JFK was Mikey's way!

Having heard enough, Evans waves Jesse's retorts off.

**Kelly Evans:**

Whatever, I'm tired of your pettiness now. But you know what, it's your lucky night. I'm in a giving mood. In fact, I, and I'm pretty sure the DEFIANCE fans, don't want to wait till DEFMAX to see Mikey Unlikely embarrass you again. So I'm gonna give you Mikey...right here...TONIGHT!

Kendrix perks up, that trademark smirk flashing across his face having got what he wanted.

**Kelly Evans:**

That's right, champ. Oh...but Mikey will be teaming up with the woman who beat you two weeks ago on DEFtv, the SOHER herself...Elise Ares!

**Kendrix:**

What?! Two on one, handicap match before DEFMAX? You've lost it, Evans!

Kelly rolls her eyes at Jesse's short-sightedness.

**Kelly Evans:**

Oh don't worry, you won't be alone out there. You see, it's going to be a tag match and I've managed to find you the perfect tag partner this evening. He's so perfect he even fits your main personality trait...Tonight, you'll team up with...The D!

This time it's Kendrix who rolls his eyes. He makes to leave, satisfied with the outcome but turns back for a final parting shot.

**Kendrix:**

Whatever you say, boss. I just hope your main event at DEFMAX actually happens. After all, the last two times I stared

Mikey eye to eye...well, let's just say you might have some more medical bills to pay, innit bruv?!

The champ dusts off his title and throws a wink the boss' way before exiting the scene. The shot fades out on a close up of Evans looking a tad concerned for her main event at DEFMAX following Jesse's threat.

Bo edges in closer and raises the microphone up.

The scene opens backstage, where a beautiful blonde looks back into the camera. With a smile plastered across her, the always recognizable Christie Zane stands ready to deliver. Her dress and makeup as normal are on point, and her mouth opens to welcome in the viewers.

**Christie Zane:**

Ladies and gentleman, I present to you our current DEFIANCE Southern Heritage Champion, Elise Ares.

In the background, you can hear the muffled rumble of the crowd when Elise Ares appears on screen. Her LED sunglasses rest upon perfected dark brown hair. A royal purple and gold cross top has become the norm since her SOHER victory, and the championship rests upon her shoulder in the frame, stars & bars and all. Behind her Klein steps into view of the camera, notices he is in direct view, and quickly darts away stage left.

**Elise Ares:**

Thank you, Christie. I think this might be our first one-on-one?

**Elise Ares:**

It was a joke. Geez, those always worked better in the past.

**Zane:**

Thank goodness, I didn't know where you were going with that. Something elsewhere I don't really know where you're going with it is the SoCal Championship. A few weeks back you debuted a brand-new "SoCal" Championship with selfie technology. The very next week, your best friend and tag partner since your very first days here in DEFIANCE The D turned on you, dumped you for another woman he calls "O-Face" and stole your championship. What were your intentions with that title, and where are you at mentally right now dealing with all of that?

Elise looks back at Klein over her shoulder and shakes her head in an effort to process everything that's happened and what to say.

**Elise Ares:**

I'm just trying to have fun, isn't it totes obvs? Ever since I was a little girl I was drilled with "respect" for this business and told how super-duper serious and honorable this "craft" is. While I do understand how things work in this business, I also know that being super-duper serious is super-duper BORING. Am I right, Klein?

He shrugs in the background, Elise doesn't pay attention.

**Elise Ares:**

What's wrong with throwing in a little dance? Taking a little selfie? Doing something for all those Aresites out there? Nothing. Now that being said, I understand all the prestige and the tradition of this championship. The SOUTHERN Heritage Championship. It's no secret that I wasn't born in Hollywood, Christie, I was just destined to be there. I was born in Havana, Cuba, and last time I looked that's SOUTH of the United States. That's SOUTH of here. Who could be more SOUTHERN than me?!

Christie Zane has no response to this, in her dumbfoundedness, she looks at Klein, who responds by shrugging once again.

**Elise Ares:**

So I will PROUDLY wear this championship with this Southern Heritage flag on it and represent EVERYTHING it stands for. I will tak...

Klein continues.

**Elise Ares:**

**Zane:**

Well being from Cuba you're probably not familiar with American history?

**Elise Ares:**

Well... I mean... Christie, once I was known as the SOUTH Beach Starlet, but you can just call me a Southern Belle. The Belle of the Ball that is DEFIANCE Wrestling. The Leading Lady of DEFIANCE, not that stupid bitch O-Face or whatever the hell she is.

**Zane:**

Have you ever met this woman? Who is she?

**Elise Ares:**

Dead is who she is if she thinks she can just step into my shoes and take my Netflix money! Without me, Lake Placid is a campy, over-played concept with a bunch of hacky lines and unbelievable special effects. Might as well be on the SyFy Channel. I MADE that franchise. I MADE SportsClips. Everything I've ever touched is GOLDEN. Without me, The D is NOTHING.

**Zane:**

He's made mention in recent weeks that without everything he taught you, you're nothing.

The Southern Heritage Champion pauses for just a moment, trying to catch her words up to her brain. You can almost catch emotion across her face for just a moment before she defaults to a cocky smirk to fight it back.

**Elise Ares:**

He did. He taught me a lot... but this isn't 2016 anymore, Derek. I'm a grown ass woman who came to DEFIANCE and did a lot of leaning. He's not the reason for the season. I am. I came here and I made MYSELF, and if he wants to run his mouth and try to prove me wrong he'll have his chance because at Maximum DEFIANCE I'll put this title on the line... and he'll put the SoCal up next to it, in a ladder match.

**Zane:**

Breaking news here!

**Elise Ares:**

In that ladder match, I'll do what I do best... I'll climb to the top, and I'll grab that brass ring all by myself. The cream always rises to the top Christie, and all those Aresites know that you're looking at the biggest star that DEFIANCE Wrestling has ever seen.

**Zane:**

And you'll get your chance to show him tonight in a tag team match with...

Christie Zane pauses, and the camera pans to show Mikey Unlikely in the frame walk up next to Elise Ares.

Instinctively she grabs her championship belt on her shoulder and holds it close to her. A cheer arises in the background as he looks down at her championship.

**Mikey Unlikely:**

I remember those days pretty well.

**Zane:**

I'll leave you two to gameplan.

Klein goes to step between the two but Elise puts her arm out to let him know it's okay.

**Elise Ares:**

I know you haven't been here in a while, but I don't think I have to remind you about where we left off, do I?

**Mikey:**

Nope, I remember. I expected this to be just as awkward as it is.

**Elise Ares:**

Well, I want to make it very clear to you... you don't run this show anymore. If we're going to get this done tonight, things are going to be TOOOOTES different.

**Mikey:**

We'll get to that, let's talk about things for a bit, maybe you'll feel a little better about it.

Elise pauses and looks back at Klein. He doesn't answer. Gives no tell one way or the other before Elise looks back at her former SEGmate.

### **DDK:**

Wow! What a shot. Mikey hasn't been in a match in some time, let alone on the ring apron waiting for a tag. Kendrix took full advantage there.

Mikey on the outside holds his jaw as he can't believe he let himself get caught. Kendrix points to his head, as the D claps in approval. The D shouts at Kendrix as this exchange gives Elise the time to run up behind him and hit him in the back with a running forearm smash.

Kendrix leans over the top rope and Elise grabs him from behind. She goes for a side headlock but Kendrix reverses with a standing switch. From there he lifts her high into the air before turning and slamming her down face first. Elise not to phased tries to spin out of it but gets caught again. Kendrix lifts her up for another slam, but Elise manages to wiggle out of his grasp, land on her feet, kick JFK in the gut, takes a few steps back and hits a front dropkick to the side of JFK's noggin, knocking him down.

The fans clap loudly at the fast-paced action.

### **Angus:**

That's the problem with wrestling Elise, she's crafty! She gets around!

### **DDK:**

Did you just quote the Beastie Boys?

Elise goes to walk over to Mikey to tag him as he's back up. Kendrix from the mat grabs her ankle and pulls. Elise faceplants short of Mikey's outstretched arm. Kendrix pulls her back to the center of the ring and hops over her locking in a headlock in the process. Once more he points to his head while looking at Mikey.

Elise manages to get to her feet as Kendrix makes his way to his own, without releasing the hold. Kendrix pulls her back over with a headlock takeover, Elise brings her legs up shortly after landing and pulls JFK into a head scissors. He uses his power to turn her onto her back for a pin attempt.

ONE

TWO

Elise releases the head scissors, which breaks the pin in the process.

Kendrix gets to his feet quickly and when he turns around Elise is... gone?

### **Angus:**

Wait... where did she go?

The camera zooms out and now we can see the entire ring, JFK stands alone looking around confused. He looks over to The D in the corner who shrugs back at him quizzically. Suddenly Elise dives into the ring from behind JFK, runs

and brings him down hard with a running back neckbreaker while yelling "SURPRISE!"

**DDK:**

What impact! Big move by Elise Ares there.

**Angus:**

But how did she?

**DDK:**

Let's take a look at the instant replay!

The screen in screen pops up on the right-hand side and we see Elise break the pin and slide between the ropes right away as Kendrix rolled to his feet. On the outside, she quickly ducked under the ring, until JFK was looking another way. Then she came out from underneath, dove back in and hit the move.

**Angus:**

Hat's off! That was good!

As the replay screen leaves the live shot shows Elise atop the top turnbuckle, the champs hair in her hand. She uses Kendrix to maintain stability as she balances and walks the top rope. She jumps toward the center of the ring looking for a bulldog but Kendrix manages to counter her grasp and fling her with her own momentum down to the mat.

**DDK:**

Ares went for high risk and it backfired. And now Kendrix is pounding stomps to the back and front of her head as the SOHER covers up

Mikey holds his hand out to Elise, encouraging her to make it back to her feet, however, he's taken aback when Kendrix finally makes a stop to the stomps, steps towards Mikey's corner and throws him a rather rude shake of the closed fist!

**DDK:**

Mikey looks gobsmacked.

**Angus:**

For once I have to agree with Kendrix.

As the champ refocuses his attention to the job at hand, Elise manages to halt Kendrix in his stride with a forearm to the gut. On both knees, she throws another as she gets to a vertical base but before she can muster any further momentum Kendri drops her straight down to her knees and gasping for air with a huge knee to the gut.

**DDK:**

Kendrix off the ropes and double dropkick to the face. Elise is out cold, cover!

ONE

TWO

KICKOUT.

Jesse gives the ref a look of derision and holds the back of his neck, still feeling the after-effects of Elise's neckbreaker. He grabs her by the hair and hauls her over to his team's corner and tags in a very hungry looking D to feast off the spoils left to him by the FIST.

JFK holds Elise up as the D just spits in the palm of his hand and then SLAPS the taste out of Elise.

**DDK:**

Oh, this is despicable Angus.

**Angus:**

And Ares isn't gonna take that lying down!

Ares' eyes go wide as she fights to her feet, but the D yanks down the top rope as she charges. Elise tumbles to the outside as the D wipes the sweat from his brow. He then turns to the official Benny Doyle. The D falls to his knees, crumbling, feigning a neck injury. On the outside, Flex and O-Face start stomping away on a downed Ares.

**DDK:**

Oh, come on! Turn around ref!

Mikey is also shouting on the apron, as Flex grabs Elise and tosses her back first into the surrounding guardrails. In the ring, the D nods that he seems okay, as Doyle turns and notices Flex and O-Face walking away. Flex is not very coy, throwing his hands up in the air as he does.

Doyle rushes over as Kendrix hops off the apron. JFK tosses his arms out and shouts.

**Kendrix:**

She tripped bruv!

Before tossing Elise back into the ring to more of Benny Doyle's admonishments. The D dives on top for a cover.

ONE

TWO

Elise gets a kick out, as the D grabs her hair and tags Kendrix back in. The FIST drives his mitts into the exposed ribs of Elise, held in place by the D. Doyle is there on four-count as the D exits. Kendrix grabs Elise and drops her in a backbreaker, before tagging back out to the D and shouting at him to finish her. The D sneers at Kendrix as he enters, and then drops down to lock her into a rear chinlock to the boos of the Faithful.

**DDK:**

Looks like there's a chance that Kendrix and the D might not be on the same page.

**Angus:**

Keebs, it was lucky those four shared the same locker room for six months without the universe imploding. Now that they all think they're more important than they are? They're just no longer compatible. No matter how you slice it.

**DDK:**

That's actually very astute Angus. SEG only came into conflict after their successes.

**Angus:**

I hate that their misery has to come through having success, but at least they're miserable.

As Klein slams his hands on the outside apron, O-Face and Flex yell at him to stop. But the Faithful take up the cue and pick up the stomps as Elise fights to her feet. One elbow. Another, and Elise takes off, only for the D to grab her by her hair. As she runs, she's yanked back and falls onto her back. The D takes a step onto Elise.

ONE

And then walks over her, taunting toward Mikey in the other corner. The D then charges, and soccer kick's the side of Elise, causing her to tumble back to the four-letter alliance.

The D tags in JFK, and the D tries to explain to him about one of the PCP's favorite moves. JFK just starts stomping

away at Elise, and the D is like "You got it!" as he joins in. Boyle then ushers the D out, who extends his hand high for JFK to tag in. Kendrix just gives him an eye, grabbing Elise and hitting a snap mare out of the corner. He locks in a rear chinlock and starts to jaw jack toward Mikey in the corner.

At this point, Unlikely is climbing onto the first and now the middle rope, trying to reach over the top and tag Elise. JFK then plants his knee into Elise's back, using both hands to pull back under the chin and bridge her on his knee.

The D, meanwhile, is on the outside of the ring being consoled by O-Face. Consoled is the PG version of what is certainly not currently happening.

**DDK:**

While Kendrix has control in the ring, The D is outside... okay, we don't need to show that on our broadcast.

**Angus:**

He has no shame.

**DDK:**

While the D... gets... okay.

**Angus:**

Hard, isn't it?

**DDK:**

You would say.

Kendrix grabs Elise and tosses her over his shoulder in a gutwrench suplex. The D climbs back onto the apron, as JFK walks over and slaps him without his knowing. The D turns, confused, shouting how he should have slapped him earlier. The D gets into the ring with a chip on his shoulder, as Kendrix just rolls his eyes. The D goes to grab Elise off the mat.

**DDK:**

SMALL PACKAGE!

ONE

TWO

Barely a kickout at the last moment. The D up and goes for a wild clothesline, Elise ducks into a backslide.

ONE

TWO

Kickout! The D kicks out Elise with such force...

...Into the awaiting tag from Mikey Unlikely!

**DDK:**

The unlikely response to Mikey Unlikely!

Mikey hits the ring like a man possessed. He takes the D down with a double ax handle. The D up fast but gets cut off again by the same move. Mikey grabs the D into a huge bodyslam, and then drops a fist into the D's face.

**Angus:**

... That's the first time I think I can say I enjoyed watching that move.

Unlikely charges toward Kendrix in the corner and knocks him off with an elbow. JFK falls into Flex who then falls into the barricade as O-Face screams and runs away. Unlikely looks over the top, satisfied to return the favor. Suddenly the D grabs him from behind and uses the ropes to kick off.

**DDK:**

NETFLIX MONEY! He just caught Mikey Unlikely! Dear God! Is that it Angus?!

ONE

TWO

NO! Mikey gets his foot on the bottom rope and Benny Doyle sees it before his hand hits the canvas. Doyle points it out to the D, who shouts and slaps his hand against the canvas. He shouts "Three!" as Doyle protests.

**DDK:**

Mikey Unlikely gets the rope break, I thought that could have been it for the number one contender to the FIST.

**Angus:**

The D pinning the contender? To the FIST? Kill me.

In the ring, the D begins shouting down to his cohorts. The O-Face takes the initiative, and rushes around the ring, almost skipping around using the turnbuckle posts as pivots. She reaches the time keeper's table, and reaches out, YANKING the SoCal championship from them before tossing it into the ring. The D catches it, and begins to size up Mikey Unlikely.

As the D rears back, Elise Ares hits the ring and grabs the title belt. The D feels resistance, and turns to look, and FLASH, goes blind as the SoCal title takes a selfie. The D drops the belt, as Elise also backs off, blinded. The D wanders into Mikey Unlikely.

**DDK:**

ROOOOOLLLLLL CREDITS ANGUS!

**Angus:**

I feel bad feeling good about this.

**DDK:**

The D is OUT Angus. He is unconscious.

Mikey climbs on top for the count as Elise stands by him and counts.

ONE

TWO

THR --

NO! JFK pulls Mikey off the cover and out of the ring. Kendrix slams Mikey with rights and lefts, before slamming him face first into the steel post on the outside. Kendrix turns to the ring to stare down Elise, seeing the woman who pinned him and becoming further enraged. JFK slides into the ring, even at the protest of Benny Doyle, and charges toward Elise. Ares quickly slips out of the ring entirely to avoid the fuhrer of the angry FIST. Kendrix makes a big scene about Ares being in the ring as on the opposite side, O-Face and Flex Kruger have Mikey Unlikely back up to his feet and Kruger whips him into the barricade as hard as he can.

**DDK:**

C'mon! Those two are just man-handling Mikey outside of the ring! This has turned into a 4-on-3!

**Angus:**

Here come the reinforcements and it's about damn time!

O-Face screams as Klein comes around the corner and gives chase to Flex Kruger. The BRAZEN Bodyguy runs from the Boxman, going around the corner and leaving O-Face alone with Mikey. The crowd boos as she somehow manages to get Mikey up and pushes him into the ring. JFK puts his arms into the air and backs away from Doyle as Ares is back to her own corner yelling at Doyle to open his eyes and see what's going on behind him. It's too late as The D wearily sees Mikey sprawled out in front of him. He crawls across the ring and lays an arm over the chest of his former SEGmate.

ONE

TWO

THREE

NO! Just TWO!

The crowd roars as Mikey gets his shoulder up at the very last second. Stomps. Claps. Screaming. Anything the crowd can do to make noise is done as The D rolls over onto his back, hands over his face in frustration.

**DDK:**

He almost did it again!

**Angus:**

He had QUITE A BIT of help from outside the ring, Keebs. As much as I don't like McFuckass, there is nothing I can think of that I'd like less than going home tonight with the knowledge that McFuckass got pinned by The GORRAM D.

**DDK:**

Well back after they immediately separated I'm sure it probably happene...

**Angus:**

I try SO hard not to think about this stuff, Keebs. Please. Just stop.

Both men begin to stir and crawl back towards their corners. Despite almost scoring the pinfall, The D doesn't seem to be any more ready to stand up and strike than Mikey. As they inch closer and closer, the crowd gets louder and louder. The D extends and makes contact with JFK, who leaps into the ring and grabs the ankle of Mikey Unlikely! It's too late! As he's being pulled away he slaps the hand of Elise Ares who darts into the ring and unloads on Kendrix with a flurry of chops, elbows, and leg kicks. She backs the FIST into the corner and whips him across the ring then follows. JFK feels her coming and uses the corner to handstand and land behind her where she runs up the corner and does a backflip, landing on her feet before spinning around and slapping the FIST across the face.

**DDK:**

OOOOOH!

**Angus:**

What a slap! I think it's still echoing through downtown New Orleans right now!

JFK is PISSED, his disrespect from Elise Ares and Mikey Unlikely has finally driven him mad. He grabs Ares and throws her towards the ropes with a scream. As she bounces back he swings for a hard elbow but Ares ducks under and jumps up to the top rope. Springboarding back, she goes for her trademark flying punch Amethystation, before...

**DDK:**

DROPPED!

**Angus:**  
MY GOD!

Kendrix catches her in mid-air with The Bell End. The crowd goes silent. Ares is out facedown on the mat and fuming with anger, the FIST shoves her onto her back and violently hooks the unmoving leg.

ONE

Mikey Unlikely stumbles back into the ring and goes to break up the pinfall.

TWO

He leaps, trying to get there in time.

Before he's snagged by the ankle. Faceplants. Then is pulled from the ring.

THREE

***DING DING DING***

Kendrix slams the leg of Ares down onto the mat and gets up to his feet, pushing the unconscious body of the SoHer out of the ring with his foot. Klein runs over to check on his friend.

**DDK:**  
If that's not emphatic, I don't know what is.

**Angus:**  
He DRILLED that.

**DDK:**  
Is that what Mikey Unlikely has to look forward to at Maximum DEFIANCE?

**Angus:**  
If this is what a pissed off Kendrix looks like, we might finally be rid of McFuckass once and for all.

Inside the ring, Benny Doyle lifts the arm of Kendrix as The D joins him in tremendous pain. As he gets to JFK, the SoCal Championship is thrown over his shoulder by O-Face before her and Flex Kruger lift him up onto their shoulders and begin to do a lap around the inside of the ring. Kendrix grabs his title and leaves while The D lifts the SoCal high up over his head.

**DDK:**  
Kendrix scores the pinfall and suddenly The D appears to be going into the Hall of Fame.

**Angus:**  
This is what we in the business like to call Amateur Hour.

The camera pans to the top of the aisle, where JFK looks back down towards the ring. On the floor outside are Elise Ares being tended to by Klein, and Mikey Unlikely seated, holding his back in pain. Slowly Kendrix raises the FIST of DEFIANCE into the air over his head and a smug grin crosses his face as we fade to copyright.
