**DDK:**

Off the ropes...

Kerry leaps and comes in hot with a flying forearm but Matt reacts quicker than expected. He grabs Kerry mid-air and falling backwards, plants Kerry face first. Both men scramble to their feet but Kuroyama is worse for the wear.

**Angus:**

You ever had the chili at Waffle House? ... wait, don't answer. I know what you are thinking ... DIARRHEA!

**DDK:**

... no.

**Angus:**

... and you'd be correct! *BUT* Bert's Chili is a SOLID CHILI recipe. Granted ... it *is* the last SOLID thing you'll see for a few days but man ... you but that shit on some half cooked hash browns! ... Boy howdy.

The pair collide once again in the center of the ring. After a few blows traded, Matt slips a punch and swings around the back of Kerry. He rushes Kerry forward toward the ropes.

**DDK:**

Might be a roll up here!

Kerry underhooks the top rope and Matt snatches back and finds himself rolling solo. Matt pops to his feet without hesitation and charges toward Kuroyama.

**DDK:**

LOW BRIDGE!

Matt goes sailing over the top rope.

**Angus:**

London Bridge.

**DDK:**

WHAT?

**Angus:**

... is falling down. Like tasteless bubbly soda water just did.

Matt tags the apron on his way down and crashes to the ringside floor.

**DDK:**

LaCroix?

**Angus:**

Exactly. Terrible drink.

Kerry pulls himself back up from the same rope he used to oust his opponent. He takes a second to center himself before...

**DDK:**

The PACIFIC BLITZKRIEG over the top rope and DOWN to the outside!

Kerry crashes down on Matt just as he pulls himself to feet with the assistance of the apron. The impact crumbles Matt and both men wind up on the floor. Benny Doyle starts his count.

**Angus:**

... wait, I just got it! Blitzkrieg and he's like Asian or something right? Wait ... why not just shorten it up and say Kamikaze?

ONE!

**DDK:**

Angus! That is racially insensitive.

**Angus:**

No, it's not. That's history ...

TWO!

**DDK:**

ANGUS! Jesus...

**Angus:**I didn't say he would Sepuko himself... wait... wait. Keebs ... Keebs, check it out ... *HARI-KERRY!*

THREE!

**DDK:**

...

**Angus:**

...Right!? RIGHT!?

Kerry pulls himself up but is stepping pretty gingerly on his right ankle.

FOUR!

LaCroix is on all fours and crawling toward the guardrail.

FIVE!

Kerry rolls in the ring to break the count and rolls back to the apron. He hoists himself by the ropes and measures Matt who is, himself, rising to his feet with the help of the steel rail. Benny Doyle warns Kerry from inside the ring.

**DDK:**

No!

Kerry with his right ankle merely toeing the apron braces himself against the ropes and leaps off one good foot.

**Angus:**

YASSSS!

Matt, possibly playing more opossum than pain, takes to action and nearly catches Kuroyama ... if not simply directing him; chest first down onto the guardrail. Kerry snaps back and lands on the matted floor clutching his chest as Benny Doyle begins the count once more.

**DDK:**

Kerry Kuroyama is going all out here tonight at ACTS of DEFIANCE! ... Sadly it just backfired on him.

ONE!

**Angus:**

Hari ... *GORRAM* KERRY!!!!

Kuroyama is flat on his back, his chest beat red with a pale stripe right across the sternum.

TWO!

Matt is back on his feet and stalking toward Kerry.

THREE!

LaCroix reaches down and drags Kuroyama to his knees with a handful of hair.

FOUR!

Matt lets go and leaves the wounded Kuroyama waving in the wind and he winds back and slaps the taste out of his mouth. Literally, spit flies into the front row of the Faithful; who boo LaCroix.

FIVE!

Kerry, out on his knees, seemingly continues to sway back and forth.

SIX!

Matt rolls in and back out of the ring, breaking the count. Much like Kuroyama before him he pauses his exit on the apron and climbs to his feet.

**DDK:**

NO!

LaCroix backs himself up to the ringpost just before sprinting toward the kneeled Kuroyama. He leaps from the apron and slams into The Pacific Blitzkrieg with a violent dropkick. The impact sends Kuroyama back and into the guardrail with a blood curdlingly clang.

**DDK:**

OH MY!

Benny Doyle is taken aback but stays on task and begins the count once more.

ONE!

**Angus:**

The Ready Light is on ... But nobody's home making coffee!!

LaCroix crawls back to his feet.

TWO!

**DDK:**

That had to take something out of Matt LaCroix as well but not enough to deter his offensive attack.

THREE!

Kerry, slumped, with his head and neck propped against the bare guard rail recoils as Matt lays in stiff boots to his chest and head.

FOUR!

**DDK:**

Doyle has to get this one under control!

THREE!

**Angus:**

He's doing just fine. He could slow that count a bit but ... other than that. Top notch, Benny and the Refs!

Matt grabs the nearly lifeless Kerry by the hair once more, beginning to pull him up as members of the Faithful scream in his face.

FOUR!

With Kerry on spaghetti legs Matt sets him up ...

**DDK:**

No! NO!

With Kuroyama's head between LaCroix's legs, Matt grabs a hold of Kerry's waist and lifts him up.

**Angus:**

OH SHIT!

FIV ... !

Doyle can't get the word out as the impact startles him.

**DDK:**

This match is over folks! Matt LaCroix with a deviously devastating powerbomb on the apron! The hardest part of the ring.

**Angus:**

Well ... the ring post is pretty rigid. Apples and Oranges... I guess.

Kerry crumbles upon connection as LaCroix stands back admiring his work. Doyle shakes off the shock and returns to the count.

SIX!

**Angus:**

Where did FIVE go!?

Someone in the crowd tosses and nearly full beer at Matt, it connects with shoulder slinging beer across the ringside area. He turns and demands to know who threw it.

**LaCroix:**

Who did it!? 'Eh? Which one of you sorry pieces of shit through the goddamn beer!?

**DDK:**

I really expected more from these two... even considering Matt LaCroix's obviously poor attitude.

**Angus:**

From the two guys who went to a double count-out at MAXDEF? ... This is EXACTLY what I expected!

**LaCroix:**

THIS IS MY CITY! You don't throw shit at me you sorry sons of bitches!

SEVEN!

LaCroix snaps out of his fan based rage at the sound of seven and turns toward the ring. He stomps Kerry once for good measure before returning to the ring. Inside, he takes his place in the corner - motioning to Doyle to speed it up before prematurely celebrating the victory via count out.

EIGHT!

**DDK:**

The is garbage time folks.

**Angus:**

This is certainly garbage. Get your ass out there and take it to him! These do-gooders don't go quietly, Keebs! It's VERY annoying!

NINE!

Just as Doyle declares nine and with the camera from the far side of the ring; LaCroix's boots in the ring corner, Doyle's slacks covered black tennis shoes off left ... Kuroyama's hand appears on screen just above the apron. His

four fingers grab the apron and the tension of the grip makes it obvious he's still in this. The camera returns to a wider shot as Matt LaCroix rushes Doyle demanding he speeds up the count. In the heat of the moment, Southern Strong Style doesn't realize his accosting of Benny Doyle and hurried instance has halted the count rather sped it up. In that time, the beleaguered Kerry Kuroyama has a knee up on the apron and is trying to push himself underneath the bottom rope.

**Angus:**

WHAT I tell you!? The flannel wearing weirdos are like ZOMBIES!

LaCroix, seeing his count out victory slip away, by his own doing mostly, stomps toward Kerry Kuroyama. Doyle follows closely behind warning off Matt, not sure whether Kerry can continue or not.

**DDK:**

I'm not so sure Kerry Kuroyama is even in his right mind.

**Angus:**

Mind? What did I say, Keebs!? ZOMBIES!

LaCroix pushes Doyle off, risking disqualification but Doyle instead to admonishes from the distance he was shoved to.

**DDK:**

HEY!

Matt drags Kerry officially into the ring and brings him to the center of the ring. Kerry claws his way up Matt's gear ... desperately trying to get back to a fighting position. He makes it to a knee, his left foot firmly planted on the mat. LaCroix looks at his effort with amused meant and steps back motioning for Kerry to get up.

**Angus:**

Is he *GORRAM* crazy!?

The well worn Kuroyama shakes his head no.

**Angus:**

IS HE *GORRAM* CRAZY!?

LaCroix looks on confused as Kerry labors to raise his arms up and beckons LaCroix forward. The Faithful explode at the Blitzkrieg's brazen behaviour.

**DDK:**

I'm all for honor but this ...

**Angus:**

This will either be AMAZING or GARBAGE ...

LaCroix's confusion turns to amusement as he shrugs and leaps ...

**DDK:**

Destruction In Spades! NO!!

Kerry found the will to thrust himself back to his feet and caught the swinging knee of LaCroix.

**DDK:**

CAPTURE SUPLEX!

Kuroyama throws LaCroix over his head, his ankles catch the top rope and he lands on his shoulders and neck before flipping over. Kuroyama collapses to mat a split second after release. The Faithful begin to chant.

*K-CUPS K-CUPS K-CUPS*

*K-CUPS K-CUPS K-CUPS*

Doyle starts the standing ten count...

ONE!

Kerry is crawling toward the far ropes.

TWO!

LaCroix begins to stir.

THREE!

Kerry pulls himself up by the ropes but is still draped over and supported by the top rope.

FOU --

Doyle checks with Kuroyama, who snaps to and stands as upright as he can get.

LaCroix now up to his knees, facing away from Kerry and dazed.

Kuroyama leans into the ropes and slingshots himself off with a full head of steam.

**DDK:**

GREEN RIVER REVOLT!

Kerry goes nearly horizontal as his knee flies toward the back of LaCroix's skull. The deafening thud silences the rowdy Faithful momentarily. Matt LaCroix falls like a ton of bricks and after brief moment to recoup himself, Kerry rolls the former BRAZEN talent over, hooks the leg and makes the cover!

Doyle drops down for the count as the Faithful follow along.

ONE!

TWO!

...

THREE!!

And exhausted Benny Doyle calls for the bell still laying on the matt.

**DING DING DING**

**DDK:**

Kerry wins!

**Angus:**

I told you, Keebs ... freaking Zombies!

Kerry rolls releases the leg and rolls off of Matt LaCroix. Kuroyama may have won but he certainly is not walking away from this unscathed and it shows. Doyle raises his hand from a seated position as LaCroix slowly rolls to the apron with his hand clutching the back of his head.

**Darren Quimbey:**

And your winner ... via pinfall ... "The PACCCIFIC BLIIIIITTTZKRIEG!" KERRRRRRRRRY KUUUURRRRROYAMMMMMMAAAAAA!!!!

**DDK:**

I've got to say I have a newfound respect for Kerry Kuroyama.

**Angus:**

You sure? Because you've been blowing him the entire match.

Cut to Darren and Angus in the booth as Darren is already glaring at Angus Skaaland.

**DDK:**

...

**Angus:** *[nervously]*

HEY LOOK! A camera!

Angus points to the camera and Darren snaps back to his normal professional self.

**DDK:**

Ladies and gentlemen ... we are JUST getting started! Already we've seen a continuation of this terrible new side of Gage Blackwood BUT on the brighter side of things; We FINALLY have a definitive winner between Kerry Kuroyama and Matt LaCroix! I expect Matt won't be eager to call for a rematch.

**Angus:**

HEY! He might be a bit of a pissant but he is a former BRAZEN talent ... and I don't back losers! ... Normally.

**DDK:**

He's BRAZEN allright ...

**Angus:**

What's THAT supposed to mean!?

**DDK:**

Folks, I'm told now ... we are headed backstage!

Cut to backstage.

## ANY LAST WORDS?

Backstage.

All is quiet.

Mom's spaghetti.

Okay, it's not 8-Mile. But it is a dire situation for the man named "Twists and Turns" Oscar Burns. A man who has taken up a vow of silence against the boisterous, charismatic and equally dangerous FIST of DEFIANCE Kendrix. A vow of silence that he declared would last until he became champion. Could that night be tonight?

**Ryan Batts:**

You got this, Oscar. We know you do.

Next to Burns is one of his two proteges, the man named "Bantam" Ryan Batts. He had been last seen on DEFtv 118 at the end of the show, being slammed into a car door by Kendrix while Burns was wrestling a match in that show's main event against Victor Vacio. Next to him, his WrestleFriends tag team partner, "Manpower" Jack Mace.

**Jack Mace:**

Burnsie, remember the important thing is that Ryan's okay now. I'm okay. Tonight, fight for you.

The usually flamboyant technician who hasn't said anything in weeks, looked up at his friend and nodded.

**Ryan Batts:**

You have fought for this opportunity since you returned last July, Burnsie. You've taken a few licks, sure, but that wasn't because of you. That was because Scott Stevens and Kendrix cheated you out of so many opportunities. But you stuck to your guns, you defeated Scott Stevens, saved your career in the process and earned the right to this title match. You're ready.

**Jack Mace:**

We've been with you in the trenches the entire way, mate. We've WATCHED you try and save DEFIANCE time and time again against invasions... plagues... Stevenses attacks. You got injured, but you came back and you have fought time and time again for this title shot and you're the most dangerous and focused you've ever been.

Burns continues to absorb everything as Ryan continues.

**Ryan Batts:**

Jackie's right, Oscar. Kendrix is soiling his pants right now because he knows when it comes down to you and him, you can take him down to that mat and make him tap like Bojangles on crack. That's why he's been trying to attack me and Jackie when he can and try and get in your head. But we're here now. And we aren't going anywhere until you have the FIST of DEFIANCE back... then hopefully you'll say things again and not just be a nodding machine back here.

The Technical Spectacle starts to nod again, then shoots a deadly glare at Batts.

**Ryan Batts:**

Spitting truth here, man.

A soft chuckle from Burns before he stands up and dabs fists with both of the WrestleFriends. Tonight, he's focused on winning a title that has eluded him since being injured late last year.

**Jack Mace:**

Yeah, he's focused but he'll get that belt back.

Both Batts and Burns shoot Mace a look, who shrugs.

**Jack Mace:**

Mates didn't hear that weird introspection, eh?

The two continue to shoot him a weird glance as the show goes elsewhere.

## FUSE BROS. vs. RESIDENT EVIL

Cut to a similar graphic as we've seen earlier in the night, this time showcasing The Fuse Bro's vs. Resident Evil.

Darren and Angus talk over the graphic before fading back into the arena.

**DDK:**

Up next we have The Fuse Bros. vs... well, I don't even know what these guys are...

**Angus:**

All I know is they've been picking on The Bros. since DEFCON and I love it!

**DDK:**

On a serious note, if this match is going to happen next, we need to label these guys with names...

**Angus:**

Well, Tyler and Conor said they are evil...

**DDK:**

Yes, evil.

**Angus:**

And dear God are they tall, but skinny...

**DDK:**

Well how about Evil 1 and Evil 2?

Angus continues on his rant, not listening to DDK.

**Angus:**

But I think they are also dark and mysterious...

**DDK:**

Evil 1 and 2, okay?

**Angus:**

Hint of emo in there too. That part I don't like...

**DDK:**

Angus?

**Angus:**

However, their skinniness makes them look like Slender Man...

**DDK:**

Okay, I'm just going with Evil 1 and 2.

**Angus:**

What?

**Darren Quimbey:**

This match is for one fall and it is a tag team match. Introducing first, Tyler and Conor... The FFFFUUUUUUUUUUUSE BROS.!!

♪ "Chemical Plant Zone" from Sonic the Hedgehog 2 ♪

Out they come in their regular wrestling attire. While Tyler looks ready to go, Conor certainly seems scared and apprehensive to follow his brother.

**Angus:**

How about Evil 1 and 2? Let's call them that.

The Bros. get into the ring as their theme song dies down.

**DDK:**

I'm not sure how these Evil guys will come out here-

Getting cut off, the lights go out and thunder and lightning noises can be heard. After about 15-seconds the lights return and there the Resident Evil guys stand, in their corner, waiting for the bell.

This scares the hell out of Conor...

**Angus:**

Oh, there they are!

**Darren Quimbey:**

And their opponents...

Quimbey pauses because he doesn't know what to say. Then, after shrugging he looks over at The Resident Evils and exits the ring...

**Angus:** *[sarcastic]*

Haha well done, idiot...

**DING DING**

Tyler Fuse glances at his brother while The Gamers cheer him on. He takes a deep breath.

**Tyler Fuse:**

Here goes nothing...

**DDK:**

Tyler charges at the much larger opponent... he ducks a clothesline attempt and spins Evil 1 around... smacking him in the chest!

The Gamers give out a "whooooo!"

He smacks him again.

"WHOOOOO!"

And once more.

"WHOOOOO!"

The only problem is, Evil 1 hasn't moved one bit!

**DDK:**

And Tyler gets a mouth full of boot, as Evil 1 knocks him to the canvas! Off the ropes he goes... big splash by Evil! Pinfall attempt...

ONE.

TWO.

KICKOUT!

**Angus:**  
Dammit!

**DDK:**  
It will take more than that to put these guys down! Afterall, they are two of DEFIANCE'S best!

Evil 1 drags Tyler to his feet and then hits an atomic drop, followed by the clothesline he initially intended for him the first time. Evil 1 stares at Conor Fuse, whom takes a small step back from his corner upon seeing this but tries to brave it through and remain in his corner.

**DDK:**  
Evil 1 tags Evil 2...

**Angus:**  
I won't be able to keep track of who's 1 and 2, you know...

**DDK:**  
Evil 2 with a boot to Tyler's chest. He tosses Tyler into their corner and starts choking Tyler, awaiting the five count...

Evil 2 breaks the choke at four, grabs Tyler by the neck and hurls him like a ragdoll to the middle of the ring.

**DDK:**  
I know it's been said before but these guys are much, much bigger than The Bros.

**Angus:**  
They could definitely eat some KFC though. I think I see their ribs through their black attire...

**DDK:**  
I would actually agree with you there...

Evil 2 tags back Evil 1. Evil 1 whips Tyler to the ropes and hits another big boot. He follows this up by an elbow drop, a scoop slam and a bounce into the ropes...

**DDK:**  
The splash misses!! Tyler rolls out of the way!

Player One leaps forward towards his brother's arm! However, Conor's arm isn't completely extended (perhaps due to the fear he's still displaying) so Tyler isn't able to reach it!

**DDK:**  
Evil 1 has Tyler by the leg... leg sweep and standing splash!!

The Gamers are trying to get The Fuse Bros. into it but the Resident Evil team continues their beat down! Evil 1 hits Tyler with a pendulum backbreaker and a Russian leg sweep, similar to the maneuvers Tyler would perform on his opponents. This is followed by tagging Evil 2 who stuns the crowd... and goes to the top rope.

**DDK:**

That's over SEVEN feet in the air...

ELBOW DROP!!

**DDK:**

Wow, what a shot!

ONE.

TWO.

KICKOUT!

The Gamers cheer but it's clear Tyler is running out of energy!

**DDK:**

I didn't see high flying moves coming from these guys, let me tell you.

**Angus:**

I hope this team is a mainstay in DEFIANCE. Their awesome... and they don't even talk! Therefore, they can't annoy me!

Evil 2 pulls Tyler to his feet. He signals for a tombstone piledriver but Tyler connects with a desperation jaw breaker out of nowhere!

**DDK:**

That might be the opening he needs! Tyler turns to Conor...

Conor takes a deep breath and with everything he has, Player Two leans forward...

**DDK:**

TAG TO CONOR!

The hot tag happens as Conor races in! He ducks a forearm from Evil 2, bounces off the ropes and lands a flying shoulder block!

But before Conor can even get some momentum going, Evil 1 is standing right behind him!

Player Two senses it and hesitantly turns around.

He jumps back upon seeing Evil 1 but Conor is put out of his misery really quickly with a chokeslam!

**Angus:**

That's gotta be it!

Referee Mark Shields tries to restore order and get Evil 1 back to his corner. This gives Evil 2 enough time to recover, get to his feet and re-signal for the end...

**DDK:**

Looking for a tombstone to Conor...

Player Two is trying to slip free...

*WHAM!*

The Gamers go wild as Tyler Fuse comes rushing in with a spinning heel kick to Evil 2 as Conor got out of the tombstone at the last possible second!

**DDK:**

Tyler Fuse is using everything he has to pull Evil 2 to his feet...

BIG BOOT by Evil 1!

Chaos ensues.

**DDK:**

Now Conor Fuse with a dropkick to the knees of Evil 1! Mark Shields is going to have his hands full trying to restore order!

With Conor and Evil 2 being the legal men in the match, Shields is actually able to move Tyler away from the action. However, this leaves both Resident Evils to start the double team on Conor...

**DDK:**

Tyler gives up upon seeing the beatdown of his brother and goes back to his corner. Evil 1 now going back to his too... leaving the second Evil to throw Conor off the ropes and perform a sidewalk slam!

The 7-foot giant gets to his feet. Although his face is covered in a black hoodie and a black ski mask, you can sense he is reeling just a little.

**DDK:**

Calling for the tombstone again, he takes hold of Conor...

Player Two is trying to break free!

Still trying...

Trying...

**DDK:**

TOMBSTONE TO CONOR!

Evil 2 makes the pin. Tyler tries to come in but Evil 1 stops him with another boot!

ONE.

TWO.

KICKOUT!

The Gamers explode in cheers!

**DDK:**

What!? I thought it was over!! Conor Fuse kicked outta the piledriver!

Evil 2 looks up at Evil 1. Their body language displays they aren't happy...

**DDK:**

Both Evils are pulling Conor to his feet.

They both put their hands around his neck...

**DDK:**

DOUBLE CHOKE SLAM!!! That has to be it!

ONE.

TWO.

KICKOUT!!!

The Gamers cheer again, this time even louder!

**DDK:**

I don't believe it! Conor kicked out for a second time! The Evils are furious!

Evil 1 waits until Evil 2 stands. They stare at each other and look down at Conor once more... however, the crowd is continually getting louder...

**DDK:**

They better turn around! Tyler's on the top rope!

They turn, just in time to be met with a cross body block taking both of them to the mat!

**DDK:**

The arena is very loud! The Fuse Bros. are still alive!

**Angus:**

Honestly, how many lives do these idiots have!?

**DDK:**

Maybe not many, Angus. Tyler is trying to revive his brother by dragging him to their corner.

Conor comes to, just enough to tag his brother into the match while the Evils both rise to their feet. Mark Shields has pretty much given up on restoring order to the match...

**DDK:**

Tyler leaves Conor in the corner and rushes at both of the Evils... he ducks their big boots and bounces off the ropes... he ducks more big boots and off the next set...

**Angus:**

YES!!!

**DDK:**

Upon return, Tyler is caught with a double chokeslam as well!

**Angus:**

These guys are just too big to be messed with, Keebs! You can see it on Tyler's face. All he was able to do was duck these big boots. He couldn't go into attack mode. He couldn't do anything else. These guys are skinny as shit but my god are they imposing!

Evil 1 and Evil 2 look at one another again.

**DDK:**

A SECOND DOUBLE CHOKESLAM TO TYLER!

It's. Over. O. V. E. R.

Evil 2 goes for the pin.

ONE.

TWO.

KICKOUT!!!

**DDK:**

I DIDN'T SEE THAT COMING!! NOW TYLER HAS KICKED OUT TOO!

**Angus:**

All pack and no punch! I guess the Evils really *do* need to eat some KFC!

The Resident Evils are fuming at the seems. Evil 2 walks to his corner and officially tags in Evil 1. Seemingly out of ideas, Evil 1 calls for another tombstone, except...

**DDK:**

CONOR FUSE COMES CHARGING IN... MISSILE DROPKICK TO EVIL 1!!! He goes into the ropes- but hey!!!

Evil 2 dropped from the apron and caught Conor by his feet. He drags him out of the ring and tosses him straight into the steel stairs!

**DDK:**

EVIL 2 JUST TOOK CONOR'S ARM OFF WITH THAT TOSS!!!

**Angus:**

And inside the ring it's anyone's game! Tyler is still trying to recover and so is the first Evil guy!

Outside, Evil 2 pulls Conor to his feet, wraps his arms around him and runs the younger bro back-first into the ring post! Next, Evil 2 pulls back the apron and takes out a table!

**DDK:**

Evil 2 is setting up the table...

*OOF!*

**DDK:**

Running knee by Conor Fuse! It was a last ditch effort but Conor jumped into the air and planted his knee right into Evil 2's face!!

Conor gets to one knee. He sees the table...

**Conor Fuse:**

Screw this...

Player Two goes into the apron and to The Gamers delight, he pulls out a second table!!

Conor sets this table up on top of the first one!

**DDK:**

Conor jumps on the apron! He snatches Evil 2's head and puts his under his arm... I think he's going to tilt-a-whirl DDT him right through both tables...

**Angus:**

It's actually a smart move for a complete idiot. These guys are so tall two tables stacked on top of one another are just the right height...

Conor goes for the move but Evil 1 knocks him off the apron before he can do it!

The Gamers boo but they don't stay upset for long...

**DDK:**

Tyler Fuse is back to his feet! He spins Evil 1 around in the ring and kicks him in the stomach!

Somehow, Tyler is able to get Evil 1's head underneath his arm and run up the turnbuckle.

**DDK:**

'CQC' TO EVIL 1!!!! Tyler has done it!

Player One falls back to his knees, however. It's clear he still needs time to recover.

**DDK:**

But he isn't able to make the pinfall attempt!

On the outside, Conor is getting to his feet.

...So is Evil 2.

**DDK:**

Evil 2 with a right hand to Conor! This knocks him into the apron! Evil 2 is beginning to choke Conor!!

Evil 2 gets up on the apron, not letting go of Conor Fuse's neck.

Player Two tries to break free but can't. Evil 2 has worked Conor inside of the ring!

**DDK:**

I don't believe this! Evil 2 is walking up the turnbuckle padding! He's taking Conor with him... TO THE TOP ROPE!!!

Conor is trying to break free with everything he has! He kicks at Evil 2... it looks like he's going to be chokeslammed

from the top rope...

**DDK:**

YES!!! CONOR BREAKS FREE! He jumps down from the top rope, turns to see Evil 1 charging at him and crushes him with a superkick!!!! Conor runs back up to the top turnbuckle, where Evil 2 continues to stand...

Looking for a suplex of some kind, suddenly the lights go out.

Momentarily they come back on, as approximately 20 men dressed in black surround the outside of the ring. Conor notices he's still just standing there on the top rope, with Evil 2 beside him...

*CRRRRRAAASSSSHHHHH!!!!!!*

**DDK:**

NNOOO!!! EVIL 2 JUST PUSHED CONOR OFF THE TOP ROPE!! HE FLIES OUT OF THE RING AND THROUGH BOTH TABLES ON THE OUTSIDE!!!

**Angus:**

I HOPE HE'S DEAD!!! HAHAAHAHA!!!

**DDK:**

This is bullshit! This isn't a fair fight! These other, uh, henchmen have no business being out here!

Just as Evil 2 admires his work, Tyler Fuse gets a second wind and runs up to the top buckle to meet him.

**DDK:**

SUPERPLEX!!!! I DON'T BELIEVE IT, TYLER FUSE JUST HIT EVIL 2 WITH A SUPERPLEX FROM THE TOP ROPE!!!

"HOLY SHIT! HOLY SHIT! HOLY SHIT!"

**DDK:**

THAT'S A SEVEN FOOT MONSTER HE TOOK FROM THE TOP ROPE!!! TYLER IS DOWN! EVIL 1 AND EVIL 2 ARE DOWN!!!

**Angus:**

But it's 2 against 1! Conor Fuse is dead!

**DDK:**

It isn't even 2 against 1! It's 20 against one!

DDK references the guys on the outside looking in.

**Angus:**

Umm they haven't done anything!

**DDK:**

Haven't done anything? They just turned off the lights and cost Conor Fuse his ability to continue this match!

Unfortunately for The Gamers, while Tyler is getting to his feet, Evil 1 and 2 have been completely revived and get to a vertical base, without showing signs of any injury or setback.

**DDK:**

How is this... possible?

Evil 1 and 2 take their hands and wrap it around Tyler's neck.

CHOKESLAM.

They pull him back to his feet.

CHOKESLAM.

And for good measure Evil 1 hits a tombstone.

**DDK:**

Evil 1 hooks the leg.

ONE.

TWO.

THREE.

***DING DING DING***

**DDK:**

Dammit.

**Darren Quimbey:**

Your winners of this match... uh...

The jeers roll in. No theme music plays, just thunder and lightning sounds instead. Then, as Evil 1 and Evil 2 stand overtop of Tyler Fuse, the lights go out and come back on after a 10-second wait.

The Resident Evil team (and the other 20+ individuals) have all vanished.

Only Conor Fuse is left laying there, through both tables and Tyler Fuse as well, out cold in the middle of the ring.

**DDK:**

I feel bad for The Fuse Bros. They haven't deserved any of this...

**Angus:**

Game over boys. Hahahaha!!!

**DDK:**

I don't know what the future holds for Tyler and Conor. Hopefully, we can find out soon...

## CRIMSON LORD vs. JACK HARMEN

Cut to an even more similar graphic as we've seen earlier in the night, this time showcasing Crimson Lord vs. Jack Harmen. Darren and Angus talk over the graphic before fading back into the arena.

**DDK:**

Ladies and gentlemen, after that technical exhibition we just witnessed, you'll be seeing none of that in our next matchup.

**Angus:**

This is personal Keebs, and these two are some of the most inventive violence specialists in the business.

**DDK:**

Is that a compliment Angus?

**Angus:**

I said a psychopath and a lunatic were good at creating violence. That's less a compliment and just a statement of GORRAM fact.

**DDK:**

Jack Harmen makes his return to a DEFIANCE ring, but last night he actually was in action in BRAZEN, and... things didn't go well for the Harmen family.

**Angus:**

His own kid kicked his bum leg out from under him! And he probably deserved it. Harmen was showboating and trying to carry and didn't trust his son to get the job done Keebs. He failed his son, and oddly enough, that may have been what Crimson Lord wanted all along.

**DDK:**

He consistently said that Harmen needs to return to the light... but do you think he meant the OTHER Harmen?

**DDK:**

It's been a while since we've seen Crimson Lord compete in a DEFIANCE ring. He quote unquote wrestled Butcher Victorious at 115, but before that it was the empty arena match against Scott Douglas at DEFCon.

As the smoke dissipates around the top of the rampway, Jack Harmen parts it. His usual swagger is replaced by the look of a wounded animal. He limps his way down to the ring, bracing his air cast that's actually been taped up to be more sturdy since last night's conflict. The Faithful cheer him as he heads to the ring and gingerly climbs to the apron. He tries to shake his injured leg to kickstart the adrenaline, but it's still painful as he steps through the ropes. He tries to hop from foot to foot, throwing his hand up in a devil horn taunt as he does. It's short-lived, as he winces and heads to his corner, keeping himself upright by using the top ropes.

Mark Shields quickly pats down Lord and Harmen and then signals for the bell.

A bunch more moments pass as Lord calmly makes his way, slowly up the ramp.

After having smelling salts broken under his nose by Iris, Harmen awakes groggy. He shakes his head and tries to stand. His leg gives out on him, until he uses the ropes to pull himself up. Harmen begins to shout incomprehensible words over the top rope at Crimson Lord. Lord just watches as he calmly continues up the ramp. **Angus:**

Oh, I know he will, but give the man a break. He's undefeated since he came back to DEFIANCE and has beaten Elise Ares and The D on his way to this match. He's in the driver's seat, Keebs.

Elise wasn't playing along with this so when Sharp raised a hand for a test of strength, she leaped and cracked Andy in the side of the head with a kick! The blow was enough to stun him, allowing Ares to fire off a trifecta of kicks aimed at his legs to chop the 6'4" Canadian down to size.

**DDK:**

There you go, she's fighting back!

When Andy was doubled over, she fired off a Dropkick to his knee and then brought him back down again. Ares tried to get some momentum from the ropes and came back with a Running Dropkick when Sharp sidestepped it and swiped her out of the way. She was back on her feet when Sharp started to try and get serious, booting her in the gut and sending her shooting into the ropes. He tried to strike her with a kick...

Missed!

Then an elbow...

Missed again!

Then Elise came back off the ropes with a powerful Dropkick with a lot of oomph, catching Andy in the chest and knocking him back off to the ropes!

**DDK:**

This one could go this speed the entire way through! Elise Ares and Andy Sharp are two of the most athletically gifted stars in DEFIANCE today.

**Angus:**

Hurricane rhonda off the ropes and now Sharp's on the floor!

**DDK:**

Hurricanrana, partner!

**Angus:**

Flippy-doo, don't care!

Elise was in the ring now holding court while Sharp was discombobulated on the outside, trying to catch his breath. Elise then waited for the chance to hit a big move and hit a slingshot, looking for a Hurricanrana on the floor...

CAUGHT!

Sharp had the strength advantage and then set Elise up over his shoulders...

**DDK:**

Oooooohhhhhh! Fireman's Carry Facebuster right on the ring apron! In addition to Sharp being able to use a lot of the same moves, he has the size and experience edge in this one!

**Angus:**

He suckered Elise in, simple as that!

The Faithful booed the talented Canadian as he took a mock bow. He waved at The Keelings and Cortez to back off so he could deal with Elise alone. He shoved her back into the ring and stood in the ring apron, egging on the crowd. He waited to garner a reaction before teasing some sort of slingshot move. He egged them on...

Then simply landed on his feet and delivered a stomp to the gut!

**DDK:**

What happened to his quest to win the SoHer?

**Angus:**

Driver's seat, Keebs! Here's the difference. Elise THINKS she can beat Andy Sharp. Andy Sharp KNOWS he can beat her.

Sharp inched his way through the ropes and gave the single tall man to Klein. He was about to jump towards Andy but when he stopped himself, Sharp pointed at Carla Ferrari and yelled.

**Andy Sharp:**

That's some bullshit! Get him out of here!

Carla saw the whole thing and did nothing about Klein. When Sharp's ploy to get Klein away from ringside didn't work, Sharp went back to work and tried to end things quickly. A double underhook put her on his shoulders...

**DDK:**

FLIPPY DON'T... NO!

Elise slipped out the side and tried to take Sharp down for an Arm Drag, but he barely budged on size alone. She rolled off to the other side, but DEFIANCE's Leading Lady failed in her second attempt to get him over. Sharp tried to swipe her down with a Clothesline, but she ducked and then tried a Sunset Flip. Sharp grabbed her by the neck and then the body to lift her up in a Powerbomb. He threw her back into the turnbuckles, but she leaped backwards and SNAPPED Andy over with a Flying Headscissors that finally got him off his feet!

**DDK:**

Incredible move by Elise!

Sharp started to flop towards the corner but when he got up, he was eating a Running Dropkick by Elise! The blow stunned Sharp, but he was still on his feet hanging onto the ropes. The Queen of Sports Entertainment Style charged again and connected with a second Running Dropkick in the corner and now, Sharp was out of the corner allowing her to head up top.

**DDK:**

Can Elise get him here?

**Angus:**

And there's Junior!

Junior tried to climb onto the top rope to stop Elise from whatever she was going to do next. She kicked him away when Klein grabbed him by the foot and YANKED him off the apron! Junior panicked and was in the arms now of Klein looking to do something when Uriel Cortez saved him by pulling him off his shoulders!

**DDK:**

Klein not letting this match go down like this!

When Klein turned...

**WHAM!**

The Titan of Industry mowed him down on the floor with a massive Clothesline! He adjusted his jacket and tie after the fact before returning to the side of Thomas Keeling in the corner of Andy Sharp. Junior got back up and slapped his chest like he had actually done something.

**DDK:**

WHOA!

As the fight broke out, Andy Sharp leaped to the middle rope and SMACKED Elise upside the head with a Pop-Up Enzuigiri kick! The blow knocked her off the ring apron and it wasn't long before she slipped out to the ringside floor.

**Angus:**

Not gonna lie, that was a dope flippy-doo!

Andy Sharp now wasn't wasting time as he took a second to sit back up. Holding his head in pain after the Running Dropkicks, he took a second before rolling to the outside. He grabbed onto Elise by the arm...

**WHAM!**

And with that, a violent Irish Whip sent the South Beach Starlet crashing into the barricade!

**DDK:**

Sharp now working her over! Now he's taking this seriously as he should!

The Lord of the Skies picked up Elise and then threw her underneath the ropes, sending her back into the ring. Sharp looked out to the crowd again and then slingshotted himself over the ropes into a Slingshot Somersault Legdrop across the chest of Elise! He stayed on top and went for a cover.

ONE!

TWO!

NO!

**Angus:**

Close one!

Klein was holding the back of his head in pain while Cortez kept an eye on him to make sure he didn't intervene. Meanwhile, the Keelings both cheered on Andy as he picked up Elise Ares off the canvas and then went into a Body Slam mid-ring. From there, he strutted around the ring like a dickhead before rushing forward...

**DDK:**

Shooting Sharp Press!

**Angus:**

Ugh, what a stupid name for that move.

**DDK:**

A move that could win him the title!

After the Running Shooting Star Press connected, Andy Sharp covered the shoulders!

ONE!

TWO!

**DDK:**

Only two! Elise used her legs to kick out of that one, but if Sharp stays on the attack like this then that title may very well be his.

Klein was holding the back of his head in pain, but he willed himself back up by leaning against the guardrail and started to will on his BFF while Sharp was taking his sweet time following up. He picked Elise back up to her fet and then kicked her in the gut before snapping her over into a Northern Lights Suplex out of the corner...

**DDK:**

Pin? No! What's Sharp doing?

The athletic marvel was cheered on by the Keelings as instead of going for a cover, he rolled backward out of the hold, switched up to a standard suplex and then held Elise up in the air...

Five seconds...

Ten seconds...

TWENTY SECONDS!

**Angus:**

Damn, that was dope! That wasn't even flippy-doo!

**DDK:**

An incredible sequence of moves by Andy Sharp!

The Lord of the Skies kneeled up and then headed backwards to go for a pin on Elise.

ONE!

TWO!

THR... NO!

Again, Elise used her legs to power out of the cover, but it was noticeably weaker than the last attempt to kick out.

**DDK:**

Sharp has all these flashy moves in his arsenal but he hasn't put down Elise just yet!

**Angus:**

Oh, he's gonna try, watch!

He picked up Elise again and whipped her into the corner, then started basking in the jeers of the crowd as he held his arms out, practically calling his shot on the South Beach Starlet. He started to slam a hand on the top turnbuckle, trying to get the audience to cheer and clap for Elise, but all he got was booing from The Faithful.

**Andy Sharp:**

Bunch of pricks!

He launched himself full speed at Elise, looking for the Corner Knee Strike in the corner...

**DDK:**

NO! Nothing but buckle and he hit that knee! Elise just moved!

Thomas and Junior Keeling watched on shocked at Andy now as he limped around the ring, clutching his knee in pain! The left knee was throbbing after hitting the corner and now thanks to Elise, it was going to get a hell of a lot worse with a Dropkick aimed at the knee!

**DDK:**

There goes Elise! She's trying to chop Andy down to size!

Sharp was still on his feet, but kneeled over and that gave Elise the chance to land another Running Dropkick to the temple while he was lowered, bringing him down to a knee! Elise gutted out the pain she was in from Sharp's earlier salvo and then looked out to the crowd...

*"Que Tal Eso?"*

She tried to make a run for the ropes when Andy grabbed onto her tights to try for something! He pulled her back...

**Angus:**

Flippy Shit Kick!

**DDK:**

Ignore my partner! That was a Pele Kick and she just cracked the top of Andy's dome! Now he's trying to get away!

Sure enough, the dazed Canadian was trying to get out of harm's way and headed out to the ring while Elise Ares was sitting pretty on the inside, ready to bust out something that would be sure enough to take Andy's smug ass down. She hit the ropes off one side and came out...

**DDK:**

Plan.... NO! PLANCHA INTO A TORNADO DDT ON THE FLOOR!

**Angus:**

She just made Andy all derpy on the floor!

The Aresites - as she affectionately called her fans - were out in full force now and were cheering on the defending Southern Heritage Champion as she started to slowly get back up. Junior looked like he was going to try something, but Thomas held him back, not wanting to risk Andy possibly getting disqualified.

**DDK:**

She is the champion, but she wants to BEAT Andy and not give him an excuse tonight. She's gotta get him back into that ring.

It did look that way, but Elise seemed to have better ideas herself. She looked at the ring apron and started to climb, this time getting as far away from The Keelings as she could unlike earlier. Klein stood his ground near where she was about to climb as she started to ascend the turnbuckle.

**DDK:**

What's she going for here?

**Angus:**

The Great Karnak says... some Flippy BS, Keebs! This ain't Oscar Burns in that ring right now!

Sharp was still groggy as all hell after the Plancha into the Tornado DDT. Both Keeling shouted at him and when he started to rise, he caught a blur coming him...

DIVING SENTON ONTO ANDY SHARP ON THE FLOOR!

**DDK:**

WHAT AN INCREDIBLE MOVE BY ELISE! THAT DIVING SENTON JUST WIPED OUT ANDY SHARP COMPLETELY AND THE FAITHFUL ARE GOING NUTS!

*"ARES!**ARES!**ARES!**ARES!**ARES!"*

Neither champion nor challenger were moving for the moment and the Keelings or Cortez didn't try to interfere. They both watched as Elise was the first one up to her feet with a very groggy Andy trying to use the turnbuckles to get back to her feet. The Lord of the Skies was nudged back into the ring with a bit of effort from Elise, who followed him in with yet another big move in the form of a Springboard Splash!

**DDK:**

That's gotta do it after all that! Can Elise get the win?

ONE!

TWO!

THR... NO!

Sharp's shoulder came off the mat!

**DDK:**

I think Elise just threw everything AND the kitchen sink at Andy Sharp, but he just kicked out! But Elise isn't being deterred!

Elise shoots a look at Carla and then goes back to whatever she can think up next to finish the job for good. She waits for Andy to start rising and when he does so, she grabs the back of his head and heads towards the ropes...

**DDK:**

Cuban Necktie coming up!

**Angus:**

OR NOT!

She tries to leap over the ropes, but the strength advantage of Andy is just too much and he holds on in place. He maneuvers her onto his shoulders and looks for an Electric Chair-type move when she rains down punches on his dome trying to shake him off. He stumbles back which then allows Elise to bust out a Figure Four Necklock to Andy Sharp while in the ropes!

**DDK:**

That's a testament to Elise's craftiness! She can only hold this until a count of five, but you need to breathe no matter how big you are!

**Angus:**

Exactly why I go commando during PPVs, Keebs!

An audible shudder could be heard from Keebler as Carla Ferrari counts to five before she falls back onto the ring apron with Sharp collapsing onto his knees. Elise sees the chance and soon, the Queen of Sports Entertainment Style takes flight...

## KENDRIX vs. OSCAR BURNS

One last time. Cut to everyone's favorite graphic. This time it's for all the marbles... Jesse Fredrick Kendrix juxtaposed against "Twist & Turns" Oscar Burns. Darren and Angus talk over the graphic before fading back into the arena.

### DDK:

Here we go, Angus. We're finally to the main event. A match that Burns has been on the hunt for ever since he got back from injury last July at the hands of Scott Stevens.

### Angus:

It's true, it's been a long, hard road for Burnsie. Even though he's a giant dork he's always gonna have my respect for beating the shit out of Scott Stevens earlier this year. He's gotten played by Kendrix like Yo Yo Ma playing a violent, but tonight might be the night.

### DDK:

That said, we cannot count Kendrix out at all. Whether it our live events or our PPVs, there's a reason he's stayed ahead of the competition. He defeated Mikey Unlikely at our last PPV, he's on the streak of his life. He defeated Burns twice on the way to obtaining the FIST and now looks to make it a third time, but this is a different man from the one he fought late last year at DEFCON. Burns took on a vow of silence after exorcising the demon on his career that was Scott Stevens. He had one title opportunity at DEFCON that Kendrix schemed himself into. We saw Burns had that match won when he had Stevens submitted, but Kendrix pulled the referee out of the ring.

### Angus:

But Burnsie needs to realize that Kendrix is the most dangerous when backed into a corner. I hate McFuckass Lite, but he's had that title since December for a reason. Cause he's a prick, he knows it, and he can win if Burnsie tries any of this sportsman crap tonight.

### DDK:

He's become more focused, but we still haven't seen Burns break rules to get this far. The one time he's attacked Kendrix, Kendrix provoked him first. But I do agree that he needs to stay focused and watch for Kendrix to pull out ANYTHING to keep that title. With our analysis out of the way, let's take it to Darren Quimbey for the main event of Acts of DEFIANCE.

The Faithful go crazy as Darren Quimbey stands mid-ring ready to deliver the intros for this main event that has been a long time coming.

### Darren Quimbey:

The following contest is set for one fall and is your main event of Acts of DEFIANCE! This match will be for THE FIST OF DEFIANCE!

♪ "Raise Your Flag" by MAN WITH A MISSION ♪

### Darren Quimbey:

Introducing first, the challenger... From Wellington, New Zealand... weighing in at 243 pounds, he is **"TWISTS AND TURNS" OSCAR BURNS!**

The fans cheer in admiration for DEFIANCE's resident grappling expert as he walks out...

And the crowd cheers!

The original yellow "I LIKE GRAPS!" t-shirt is up, along with his familiar orange wrestling gear.

### DDK:

We've got Oscar Burns turning back the clock for tonight! He's been wearing darker colors with this change in attitude, but tonight he's going back to what brought him to the dance.

**Angus:**

Ugh, enough of Throwback Thursday, Burnsie. Stay focused, don't worry about the fans. Win that damn FIST.

**DDK:**

When Burns lost the title last year to Scott Stevens, he was beside himself. He felt like he let DEFIANCE and the Faithful down. He had that title in his grasp as DEFCON 2018, but Kendrix swooped into the middle of the ongoing feud between Scott Stevens and Burns. While Kendrix has two wins over Burns before - as he likes to remind us - the history of it all is that those wins were BECAUSE of Scott Stevens in one form or another. Tonight, Kendrix wins on his own or Burns has nobody to blame but himself.

Beside him, both Ryan Batts and Jack Mace on either side of him slap hands with Burnsie on the ramp. Burns shoos them backstage and the two best friends oblige,

**DDK:**

It looks like Oscar wants to do this solo. Not giving Kendrix any excuse.

Oscar looks at the surroundings and eyes the ring once before he enters. He warms up in the ring and with the DEFIANCE Faithful fully behind him, he raises one finger in the air and leans against the middle rope, soaking in the adulation of a crowd that is certainly pro-Oscar tonight! He takes off the shirt and points to multiple sides of the arena to see who can garner the most noise before he then points to the one facing the hard cam for tonight's big show. He tosses it into the audience and then remains quietly in his corner he waits for his opponent to arrive.

♪ "Let 'Em Come" by Scroobius Pip, Sage Frances, & P.O.S. ♪

The lights go out in the arena before flashing black and white fills the centre of the stage, immediately bringing Kendrix into view with his back facing the ring. Wearing an official, JFK t-shirt along with his trademark JFK dark green and gold ring tights and of course the FIST wrapped around his waist. His index fingers point to the sky before he turns to face the arena with that smirk.

**DDK:**

The FIST of DEFIANCE, Jesse Fredericks Kendrix, has been at his most dangerous and vicious ever since Burns' vow of silence and that strike to the champ when it was confirmed the two would meet here tonight.

**Darren Quimbey:**

Making his way to the ring, weighing in at two hundred and eighteen pounds and standing at six feet, two inches tall... he is the reigning and defending FIST of DEFIANCE... **JESSE FREDERICKS KENDRIIIIXXXX!**

**Angus:**

Burns is as focused as I've ever seen him before. But Kendrix, despite what we all think of him, exploits ever opponent's weakness. That's why he brutally attacked both Jack Mace and Ryan Batts over the last month, because he knows those actions will get an emotional reaction from Burns which he will aim to use to his advantage and keep hold of the FIST.

Having entered the ring and raised the FIST proudly into the sky, Jesse hops down from the turnbuckle, having rudely waved his closed fist at his less than adoring welcome from the DEFIANCE faithful. As the music fades and the lights come up the official meets both competitors in the ring. He takes the FIST from Kendrix before holding it up in the center of the ring as the two opponents stare each other down.

**DDK:**

You can feel the tension. There's something in the air this evening. So much at stake not only tonight but for the future of this company. Oscar Burns getting the rightful one-on-one match he hasn't had since coming back from injury last fall. You get the feeling it may be now or never for him.

**Angus:**

He better make the most of it tonight. If Kendrix beats him, I don't know how many more rematches Burnsie is gonna

get for the FIST. He had to put his career on the line to get this one.

With both competitors now in the ring, the two men approach cautiously as Doyle calls for the bell.

### ***DING DING DING***

The champion and challenger circle one another carefully, waiting for the other to make the first move. One would expect after everything Kendrix had put Burns through in the last month including slandering him at every turn and then attacking his friends, he'd be pissed.

Well, you'd be right.

#### **DDK:**

Burns rolls to his side and then back through to his feet but the champ is hot on his heels and forces him punch after punch backfirst into the corner.

**DDK:**

Kendrix is relentless here. Burns continues to cover and soak up the blows but how long can he sustain this attack?

The ref gets counts to three but decides to get in between the two men, much to the FIST's ire.

**Angus:**

Benny Doyle starts another count and like before, it lasts until four before Kendrix releases the modified Crossface and watches as Benny Doyle alerts the medical team. FUCK YEAH! IS THIS THE REAL LIFE! IS THIS REALITY?

**DDK:**

GRAPS OF WRATH! THE GRAPS OF WRATH! THE GRAPEVINED CROSS ARM BREAKER! KENDRIX HAS NOWHERE TO GO! HE'S TRAPPED!

Burns CRANKS back on perhaps one of his most vicious holds that he knows and the crowd has lost their shit as the Bruv tries to move... But both of his are trapped so he can't even tap out! Benny Doyle checks for any sign of a verbal tapout...

**Benny Doyle:**

Kendrix, do you give up?!

He doesn't say anything other than continuing to curse and scream out in pain!

**Benny Doyle:**

KENDRIX, DO YOU GIVE UP?!

Burns TIGHTENS the hold as tight as he can make it...

KENDRIX NODS!!!!

BENNY DOYLE CALLS FOR THE BELL!!!!

***DING DING DING!***

RRRRRRRRRRRAAAAAAHHHHHHHHHHHHHHHHHHHHHHHHHHH!!!

Burns finally lets go of the hold and rolls over onto his stomach, not much left in the tank and tears starting to well up in his eyes as Benny Doyle brings over the FIST of DEFIANCE and drapes it over his shoulder!

**Darren Quimbey:**HERE IS YOUR WINNER OF THE MATCH AND THE **NEWWWWWWWWW** FIST OF DEFIANCE... **"TWISTS AND TURNS" OSCAR BURNS!**

And there's now not much left of a roof on the DEFIANCE Wrestle-Plex as Burns slowly pulls himself back up using the nearby ropes! He clutches the title closely as Kendrix is taken out of the ring by a pair of trainers, nodding to his left arm and shoulder.

**DDK:**

HE DID IT! HE DID IT! FOR THE SECOND TIME IN HIS CAREER, OSCAR BURNS HAS BECOME THE FIST OF DEFIANCE!

**Angus:**

MY NEGATIVE REINFORCEMENT PAID OFF! NOW I'M GONNA GO KEY THAT SOB'S CAR AND GET LIQUORED UP! WE FINALLY HAVE A NON-MCFUCKASS AND A NON-STEVEN'S CHAMPION! OHHHH WAFFLE HOUSE HERE I COME!

Making their way into the ring, both WrestleFriends parade into the ring with big Jack Mace being the first to give a manly bro-hug to Burns, HOISTING him up in the air while Ryan Batts can't help but pile on the respect-fest, jumping onto the shoulders of Mace!

**DDK:**

Oscar Burns came back from injury last year, had his hopes dashed when Kendrix swooped in and stole the title from

him and Scott Stevens! Burns fought his way through Scott Stevens, made it to tonight and never wavered once. He kept focused, he busted his ass and once again, Oscar Burns is on top of the mountain!

Confetti starts to rain down from the ceiling in bright colors of orange and yellow (Burns colors, doy!) as The Team Graps Cap now jumps onto the middle turnbuckle! In all the excitement, he almost slips, but remains seated on the turnbuckle, raising the FIST of DEFIANCE for all to see!

**Angus:**

I never thought I'd enjoy seeing a WrestleDork for a goddamn champion, but he isn't a former UTA Fuckboy and he's all about DEFIANCE whether I like him or not personally. For that, the dork has my respect!

**DDK:**

Burns joins rare company as only a few men have had the title more than one time! Dan Ryan, Bronson Box, Curtis Penn... and now, OSCAR BURNS!

The final images of tonight show rest on the exuberant Oscar Burns, running outside the ring and doing a stage dive into the audience!

**DDK:**

Since joining DEFIANCE, Oscar Burns has been a true man of the people and tonight, he's proud to represent DEFIANCE and represent The Faithful as their champion once again!

Mace and Batts continue celebrating with Burnsie as he yells out among a sea of fans in the front row!

**Oscar Burns:**

THANK GOD THE VOW OF SILENCE IS OVER! GC! WE DID IT, GC's! WE DID THIS!

**DDK:**

Thank you all for joining us for Acts of DEFIANCE! From Angus Skaaland, I'm Darren Keelber! Thanks for tuning in and good night!

The joyous celebration carries the show out as now all three members of The League of Extraordinary Graps celebrate in the crowd for a party that will continue long after the show ends.
