The crowd ERUPTS like crazy as Oscar Burns is out in his signature bright orange and yellow ring gear, the FIST of DEFIANCE fastened around his waist for the first time in over a year.

Kendrix did everything he could to try and throw a more focused Burns off his game by putting Ryan Batts on the shelf, attacking Mace after a match and slandering his name at every turn. Angus:

Angus:

Why?

"I'm So Humble" by Lonely Island

Angus:

Oh. Right. The D.

DDK:

The Barrio Bros made their debut on DEF tv fighting the PCP during their open challenge, remember?

Angus:

Ah, simpler times.

Lots of flickering flash bulbs go off at the top of the entrance ramp as the D emerges from the curtain, still wearing his finest three piece suit and a monocle. He stands DEFIANT, as O-Face rushes out from the back and proceeds to dangle from his arm. Flex Kruger is last out, stern faced, built like a brick house. The three of them head down toward the ring, as the D continuously shouts obscenities at the Faithful.

DDK:

It's been a rough road for the D since losing his shot at the SOHer championship against Elise Ares. He's been in a kind of limbo, wouldn't you say Angus?

Angus:

Oh. I'm sorry. Were you talking about the D? I instinctively stop listening.

DDK:

The D was able to defeat the first ever BRAZEN champ Reinhardt Hoffman in tag team action at the latest Clash. We'll see if he can keep that momentum going.

The D climbs onto the ring apron and soaks in the boos. He tosses his arms out to his side. Flex sits on the middle rope, allowing O-Face to enter, and then the D. Flex stays out on the ring apron, as the D climbs the turnbuckle and throws his hands out again in an almost Jesus like pose.

DDK:

If you asked the D, he'd say he's the greatest.

Angus:

You ask me, I'll say he's the stupidest.

The D hops back off and turns, as Carla checks him over for weapons. She signals to the timekeeper, as Geraldo Villabolos stares at him from across the ring. Collar and elbow, Geraldo shoves the D down. The D picks himself back up, dusting his suit clean before going back in for another collar and elbow. Again, Geraldo shoves him down. So the D scrambles and tags in Flex.

DDK:

The D can't match the power of Geraldo Villabolos, as Flex is going to try his hand now.

Flex and Geraldo collar and elbow, Geraldo leans Flex into the corner before Flex spins and shoves his hands into Geraldo's face. Carla counts as Flex breaks at 4, and then hits Geraldo with a stiff open palmed slap. Geraldo rushes out with a flurry of palm strikes, sending Flex back into the ropes. Geraldo goes for an irish whip, but Flex reverses. As Geraldo hits the far side, the D hooks the top rope and Villabolos goes tumbling outside. Hugo starts yelling in protest as Carla is busy checking Flex, who's down on a knee and clutching his eye. Flex assures Carla he's alright, and charges toward the ropes and leaps over with a single bound, crashin down onto Geraldo with a cross body.

DDK:

Woah! I didn't know the big man could fly like that!

Angus:

There's a lot of things people don't know about Flex Kruger. Like how much Flex Kruger doesn't know himself!

DDK:

Flex SLAMS Geraldo into the ring post, back first. He's going to want to get the action back into the ring.

As Carla approaches six, Flex tosses Geraldo back in, and follows. Flex locks in a nerve hold submission to the shoulder, as Carla is there to check on him. Villabolos refuses to give, as Flex wrenches the hold in further.

DDK:

Flex Kruger had an impressive victory over Reinhardt in that championship scramble, turning himself into a former BRAZEN Champion. That was short lived, however.

Angus:

Yeah, because idiot decided to challenge Jack Mace at the most inopportune time. Mace is a stallion Keebs. We're gonna be talking about him for years to come.

DDK:

Flex doesn't want to keep his name too far away from BRAZEN contendership, even with his partnership with the D.

Flex tags in the D who leaps off the top with a double ax handle. The D arm wrenches Geraldo, then again, into a hammerlock, and tags back in Flex. Flex shoulder blocks Geraldo's exposed elbow, and then lifts him up into a hammerlock northern lights suplex.

The camera cuts over to the DEFIANCE interview stage where we are greeted by Christy Zane and Mikey Unlikely standing together. Mikey in his street clothes and sunglasses. Yes... Mikey wears sunglasses indoors!

The fans cheer loudly when the pair show up on the DEFIatron, signaling we're ready for the upcoming interview. Christy turns to the Hollywood Superstar.

Christy Zane:

Mikey Unlikely, welcome to DEFtv! Just a short while ago at Acts of DEFIANCE... you were defeated by Scott Stevens when his son... Jack Stevens turned on you, and delivered a low blow... Mikey... what went wrong?

Mikey considers her question for a second, and takes a long look out at the fans before responding.

Mikey Unlikely:

Christie, to be honest... what happened in that match is I took my eye off the ball. I was given a golden opportunity to beat Scott Stevens and I hesitated. Sometimes all it takes is a split second to change everything. That's what you witnessed at Acts of DEFIANCE.

The interviewer nudges Mikey on.

Christy Zane:

So you took your eye off the ball by not considering Jack had his father's back?

Our hero nods solemnly.

Mikey Unlikely:

That's right! For weeks I thought I was building a friendship with a fan, one of the millions who support me in everything I do, and in reality Christie... I was played. That's ok thought, I've been played before, I'll be played again... hell I'm usually the one doing the playing! Not this time... this time, I got what I deserved. Unfortunately that SNAKE... Scott Stevens got away with one.

The fans boo loudly at mention of Scott Stevens name.

Christy Zane:

So what comes next for Mikey Unlikely?

Mikey Unlikely:

What comes next? That's a great question! One that I've been considering for the past few days for sure. Is it time to meander off back to Hollywood for another film project?

The fans boo at the thought.

Mikey Unlikely:

Is it time to look past Stevens and onward towards my goal of ultimately becoming the FIST of DEFIANCE? I see I am entered into a four way this evening for the FIST number one contender... so that's certainly a possibility...

The fans cheer at this one.

Mikey Unlikely:

Or do I stand fast.... Pin my ears back to my head.... Go to work.... And take DOWN Scott Stevens like the dog that he is! You're not going to beat me at my own game Scott!

Crowd goes Banana.

Mikey Unlikely:

Yea.... I think that's the path I'm going to take... SCOTT STEVENS! You needed your child to beat me! You couldn't do it on your own, you couldn't beat me fair and square in the middle of the ring... YOU ARE NOT THE BETTER MAN!

The fans cheer as Mikey gets fiery.

Mikey Unlikely:

So I urge you....nay..... DEMAND you come out here right now and give these people what they want to see. The Replay worth watching. Mikey vs Stevens II. LETS DO IT RIGHT NOW!

Mikey cracks his neck and loosens up, waiting for Scott Stevens. The crowd is alive, waiting for the usual cocky response from Scott.

But nothing happens...

So we wait...

And we wait...

Nothing...

Mikey takes the hint.

Mikey Unlikely:

No answer? Are you not man enough?...are you KIDDING me!?

Nothing happens.

Mikey Unlikely:

Fine... you know what... we're not done yet! Whether it be here tonight in the DEFplex, or anywhere else on this planet, I'm going to find you Scott, and I'm going to get my win back... not only for Jack, not only for you... but for each and every person here who felt screwed by you and your cheap tactics! If anyone is going to resort to cheap tactics... it's me!

Mikey's music hits as he stomps off a little huffy. He's clearly not excited with how this turned out.

Cut back to commentary.

DDK

For those who are avid viewers of our UNCUT program: last week you got a glimpse into the recovery of "Sub Pop" Scott Douglas.

Angus:

Oh, Scotty is looking good, Keebs. You can't hold a greasy son of a bitch like that down.

Darren glares at Angus and his odd form of flattery.

DDK

... well, let's go now to clip --

Angus:

Oh, don't be a tease!

Angus feigns to start up a chant.

Angus:

Show. It. All. Show. It ...

Before trailing off and abandoning the bit quickly.

DDK

Angus: *[still chanting]*

Oh. That's. Cool. I. Didn't. Know. Roll. The. Clip.

DDK

... what is wrong with you?

Cut to the tape.

Scott Douglas is positioned at a seated arm curling bench. Lightweights but his form look steady and sure. His gym clothes are slightly different from the previous teaser shown on UNCUT, but not different enough to notice right off the bat.

Douglas' repetitions slow as he comes to a halt and let the weights come to rest. He takes a moment to breathe before letting go and just as he does; the camera swings around to Kerry Kuroyama walking toward him. Kerry is dressed in street clothes carrying a duffle bag with the airline baggage tag still attached.

Kerry Kuroyama:

You're going to have to bump up that weight if you're ever going to make it back.

The camera returns to Douglas, obviously surprised to see Kerry. Although he barely shows it.

Douglas:

Kerry.

Kuroyama:

Oh that's right. Hold on.

Kerry drops all expression from his face and his bag to the floor.

Kuroyama: *[mimicking Douglas]*

Scott.

Scott stares toward Kerry, unamused, for a moment before he cracks a smile and exhales enough to call it a laugh. Kerry chuckles and continues toward Douglas as he stands up from the exercise equipment.

Kuroyama:

How the hell are you?

The two shake and embrace momentarily before Douglas responds.

Douglas:

Honestly, not too bad... It's coming along a lot better than I had thought.

Kuroyama:

You sure?

Kerry asks as he motions to the small amount of weight. Douglas glances back and chuckles slightly at Kerry busting his chops.

Douglas:

I see what's going on here... You pin that BRAZEN kid and now you're the World's Strongest Man, right? Is that how that works.

Kuroyama:

Hey ... hey, *BRAZEN kid*? Where'd you start in DEFIANCE again?

Douglas:

Hold up. Remind me, where were you when I won the SoHer?

Kuroyama:

Alright, alright ...

The pair laugh at the shots they've taken at each other and let it go.

Kuroyama:

Alight. I flew all this way ...

Douglas interrupts.

Douglas:

Home?

Kuroyama:

Home. Yes. So are you ready to get back in the ring and roll around .. or what?

Douglas:

Let's do it.

Kuroyama:

Dojo?

Douglas:

Call, Rocko.

Fade to black and cut back to Darren and Angus.

Angus:

Wait ... wait! If K-Cups is there ... then WHO just took that ass whooping earlier!? Do we have ANOTHER imposter!? This time in a KUERIG MASK!?

DDK

... really?

Angus:

Well, hold on now - I'm not crazy.

DDK

Yeah?

Angus:

I am *ALSO* open to the idea of time travel or teleportation ... just gonna throw that out there.

DDK

How do you feel about the concept of the pre-recorded video? Or a docu-style television program being shot in its entirety, then edited and post produced before reaching TV screens?

Angus thinks ... a little too long.

Angus:

Hmmm ... I hadn't considered it prior to now but if I'm being completely honest ...

Darren already knows what's coming, he drops his head and shakes it in derision.

Angus:

I'm still leaning toward life like Mission Impossible style masks molded and shaped to look exactly like the Pacific Whipcream!

DDK

I ... I just can't. Folks we've got to move on ...

Cary holds the Tag Championships high into the air while Bo and George hold their Trios Championships high above their heads as they head towards the ring.

The three men reach the end of the stage and make their way up the ring steps and slowly step inside. Bo and George climb the nearest set of turnbuckles to the hard camera while Cary stay in the middle and each hold up their gold treasures as the Faithful chant the Stevens Dynasty favorite chant.

Cary Stevens:

Batts almost stole that one from Andy!

Angus:

Wow, color me shocked that didn't work!

When both men are back on their feet, Andy kicks the leg out from under Batts and then tries to end things quickly while Elise wildly waves around her rightful Southern Heritage Championship. He goes to pick up Batts by the arms and sets him up, making sure she sees what's about to happen...

DDK:

He's going for the Flippy Don't... NO! FASTEST ARM IN THE WEST!

The crowd watches Batts hook the arm out of an Arm Drag off the shoulder and locks his signature Cross Arm Breaker! Andy starts to fight to keep his arms locked... but Batts kicks the head and then pulls him back into the full submission!

DDK:

That's his key submission! He's got him mid-ring!

Andy cries out in pain before he sees Elise smirk and start to leave with what he claims is his title... he has to make a choice...

TAP TAP TAP!

The crowd EXPLODES as Batts rolls off of him and out of the ring, next to Jack Mace!

Darren Quimbey:

Here is your winner of the match as a result of a submission... **"BANTAM" RYAN BATTS!**

DDK:

We've seen Batts pull off some unlikely wins in singles competition in the past and he just did it again to Andy Sharp with a submission no less! And now... Andy's not even concerned with the match, he and Junior are heading back up the ramp to chase down the champion!

Elise Ares is already long gone with the Southern Heritage Championship with Andy giving chase, cradling his arm while yelling at Junior to keep up with him! Meanwhile back in the ring, Ryan Batts holds up his hands and jumps into the arms of his partner, celebrating with Jack Mace!

DDK:

A big win here for Ryan Batts tonight via flash submission! And rest assured, this won't be the last we see of this ongoing saga over the Southern Heritage Championship!

Angus:

It's too bad, Ryan Batts could have been Southern Heritage Champion right now had it not been for him opening his mouth before the match...

Keelber sighs as the scene closes in on Mace and Batts continuing the good fortune that The League of Extraordinary Graps has had tonight!

Four Corners match to determine the new number one contender for the FIST of DEFIANCE. Who's going to be the man (or woman) to face the FIST - Oscar Burns?

♪ "Emperor's New Clothes" by Panic! At The Disco ♪

Darren Quimbey:

The following match up is our MAIN EVENT of the evening! The Winner will become the NEW #1 CONTENDER FOR THE FIST OF DEFIANCE! Introducing first...

DDK:

Folks we've got to take a quick commercial break so we can bring you the entirety of our main event up next! We'll be right back!

Angus:

Don't go anywhere!

When we return from Commercial Break, three of the four participants are in the ring, and Uriel Cortez is finishing his entrance. Since we missed the entrances, Darren Keebler fills us in.

DDK:

This will be a four way match up between Elise Ares, Mikey Unlikely, Jack Harmen, and Uriel Cortez! First pinfall is going to win this, it's not an elimination match. All four competitors in the ring at the same time!

Angus:

LOVE IT! MADNESS!

DDK:

Theoretically the person who wins this match will face the current FIST Oscar Burns at Ascension 2019!

All four competitors each stand in a respective corner, looking at each other. Mikey and Elise share a respectful nod, while Jack Harmen looks suspiciously at everyone involved.

DING DING!

Everyone stays put for a split second trying to figure out how to get the match started. Suddenly and without warning Elise Ares takes off running directly across the ring at Jack Harmen.

DDK:

Elise Ares is clearly not done with Jack Harmen, as we all well know, they have a very checkered past!

Angus:

That's putting it lightly!

Elise Ares jumps and lands on a surprised Jack Harmen who falls into his own corner. The fans come to life as Elise pummels away. Mikey and Uriel just watch the action at first. Elise stands up, uses the ropes and springboard doublestomps on the shocked Harmen who takes the blow flush before rolling out of the ring.

DDK:

Harmen's taken out quickly, based on that beating the Stevens Family gave him earlier, I don't know how quickly he'll get up. But the action's stopped down as Elise Ares, Mikey Unlikely and Uriel Cortez share the ring!

The remaining stars in the ring just stare at each other waiting for someone else to move. Mikey motions to Elise and does a handclap and smile. Uriel Cortez seizes the opening. He runs at Mikey and delivers a devastating back elbow that drops the Hollywood star.

Angus:

Free plastic surgery! Can't beat that! Cortez just smashed Mikey's face in!

Mikey is hung up in his corner before Uriel grabs his legs and dumps him out of the ring as well. Cortez turns to Elise.

DDK:

Oh no! Mikey and Harmen quickly neutralized here, and now it's just the 7'1" Monster and Elise Ares!

Angus:

This is just like one of their awful Lake Placid movies, except Uriel isn't... you know.... An Alligator.

Elise cracks her neck and bounces from one foot to the other loosening up. Showing zero fear, she walks over to Cortez. As Uriel goes to lock up with the much smaller opponent, she surprises him with an armdrag instead. Using Cortez own weight to carry him over to the mat.

DDK:

WOW! Cortez slaps the mat and gets right back up. He swings! Elise ducks the blow and turns off his back before grabbing the opposite arm and once more ARMDRAG!

Elise stops and smiles as Cortez is clearly flustered.

Elise tries to lock in an armbar on the bigger opponent but is instead tossed off with power. Elise runs back and this time Uriel hits a hip toss that gets nearly 7 feet of clearance off the mat. Elise crashes down hard.

Angus:

Holy Shhhh... DID YOU SEE THAT!?

DDK:

The raw power of Uriel Cortez is hard to stop. Let alone for someone of Elise's stature. Cortez now picks up Elise and lifts her for a sla.... NO! Elise slips out the back and hits the ropes! On the return... Ducks the clothesline by Uriel! Hits the ropes again! HEADSCISSORS TAKEDOWN by Elise Ares!

Elise sneaks over and tries to go for the pin but Uriel kicks out just before one.

Angus:

It's way too early for that, but it makes sense to try to get the win with your opponents outside the ring!

As Cortez gets up Elise goes for a side headlock. Cortez quickly pulls himself out of it, and applies his own side headlock. Elise bounces him off the ropes to get him off. Elise goes for a cross body on the return but is caught and dropped with a tiltawhirl backbreaker.

Uriel picks up Elise and positions her next to the ropes. He runs and comes with the Lariat. Elise drops and pulls the top rope down with her, sending Uriel flying to the outside of the ring. Once more Elise using his own body weight against him.

Elise stands up and prepares to dive onto Uriel. Before she can she's grabbed from behind by Mikey Unlikely who has recovered. Mikey hooks her around the waste and tosses her behind him with a huge german suplex.

DDK:

Mikey Unlikely on the attack now! Big German suplex. He picks Elise back up and sets her back facing the ring on the second turnbuckle. Mikey takes a few steps back and charges!

Mikey goes for a shoulderblock into the lower back of Elise, but amazingly Elise Ares pulls herself into a handstand on the turnbuckle as Mikey comes, he misses and ends up shoulder first into the turnbuckle. Elise lands on her feet once Mikey has fallen out of the way nursing his shoulder.

On the outside, Jack Harmen tightropes the apron and dives, hitting a shooting star press to the recovering Uriel. Harmen lands on his feet, quickly rushes back up onto the apron, and springboards off with a Lou Thesz Press, catching a stunned Elise as she turns. Harmen looks down at the fallen Elise, fist raised, and shrugs, sending blow after blow toward the SoHer champ.

Harmen gets up and backs off to the ropes, begging Elise to get to her feet. He's sizing her up when Mikey charges and Clotheslines him awkwardly up and over the top rope. Unlikely rolls his shoulder bracing it to his chest as the crowd cheers him on.

DDK:

This action is relentless! Mikey is up! Uriel Cortez is getting back in the ring on one side. Mikey sees him and runs at him! Backdrop by Cortez sends Mikey over the rope now and crashing down on the outside.

Uriel waltzes over and grabs Elise Ares by the hair and lifts her to her feet. The crowd boos loudly.

Angus:

This is not good for the SOHER! She's all alone with Uriel now.

Cortez lifts up the SOHER and slams her down to the mat with a vicious body slam. Elise arches her back in the middle of the ring, clearly in pain. Cortez wastes no time lifting her back up. This time he picks her up for a Military Press Slam! Once more Elise holds her midsection.

DDK:

Elise has taken a lot of punishment here and Cortez isn't letting up. He's the biggest person in the ring, and clearly targeting the smallest. He's trying to make quick work of our Southern Heritage champion while the other opponents are incapacitated.

Angus:

Speaking of which it looks like Harmen has seen what's going on in the ring and has chosen to let it go. He's walking over to Mikey now... OH! Running knee to Unlikely on the outside.

Harmen motions to the crowd and when they boo he yells back at them.

Back inside the ring Uriel picks up Elise like a ragdoll and locks in a bearhug square in the center of the mat. He wrenches away at the hold as Elise shouts in pain but refuses to give in.

Jack Harmen grabs Mikey, puts a hammerlock on him, and runs him shoulder first into the ring post on the outside. Mikey hits with a thud and drops. The fans let out a loud OOOOH.

Hector Navarro checks in with Elise to see if she is ready to give in yet. She once again answers with a loud no. Harmen climbs onto the ring apron behind Uriel Cortez, he then climbs to the top turnbuckle. With a jump he hits a Missile dropkick to the back of Cortez which sends him down to the mat, with Elise in tow. Elise takes the worst of the blow, being pancaked beneath the giant. The fans let out a loud OHHHHHHH once more. The Bearhug is broken and Harmen runs over to cover Elise. Hector drops for the count.

Angus:

Well here comes Harmen again! Wait! McFuckboiiiiiiiiiiiiiiii

As Harmen goes to grab Elise from the mat. Mikey comes running from across the ring and hits a spinning wheel kick that sends Harmen into the turnbuckle. Cortez who has recovered grabs Mikey by the back of the head and tries to throw him over the top rope. Mikey holds on and lands on the apron unbeknownst to Cortez. Springboard off the top rope and Unlikely is airborne. He grabs Uriel on the way down from some awesome hangtime and lands a bulldog in the middle of the ring. The crowd comes alive.

DDK:

Mikey gets right back up as Uriel gets to his knees. Unlikely off the ropes, he comes back with a basement dropkick to the head of Cortez! To the second rope now! He's not letting up... FIST DROP!

Mikey goes for the cover!

Angus::

What a kickout! Cortez is shaking his head though, the damage is clearly done. Hell of a match so far.

The fans erupt as everyone tries to get to their feet in different parts of the ring area.

Elise rolls out of the ring and confers with Mikey briefly. With a collective nod they are on the same page. Uriel Cortez is collecting himself in the ring when both the SOHER and the former SOHER reach grab a leg and pull and drop Cortez to his face. They then pull him outside the ring. The double team on the outside is quick and relentless. Mikey and Elise rain the kicks and punches from both sides on the Titan of Industry. Elise hops onto the apron, takes a step and flips!

DDK:

Mikey and Elise stand up and high five. Both are trying to catch their breath.

Harmen runs at Mikey and goes for his charging locomotive. Mikey ducks it and spins Harmen around and lands a huge lungblower flush.

Angus:

Mikey gets up to the cheers of the crowd, only to catch a fist in his face.

Sharp laughs loudly. Grabs Elise and throws her out of the ring before stealing back the Southern Heritage Championship! Hector Navarro doesn't know what to do. He can't disqualify someone in this thing. Elise and Sharp disappear up the ramp with Elise trying to get back her stolen property.

Meanwhile, Mikey Unlikely gets up, powering through the pain. Harmen is next up, clutching his midsection and coughing up a bit of blood. Mikey seizes the opportunity as Harmen spins to him!
