

SHOW OPEN

The screen fades up from black ...

Energetic music begins to to fade up ...

A white streak of electricity shoots across the screen backed by a red glow.

It's accompanied by an electrical sounding sizzle sound effect.

The 3D block letters of UNCUT appear but the angle obstructs a legible reading of the word at first sight.

The red-lined white streak shoots past the word as it continues to rotate and the background music swells.

As the letters tip upright and begin to reveal the five red letters back with a slight white glow, the white streaks fly behind the letters and wraps around the word angling down as the drumbeat hits and the theme is at full tilt only to abruptly end at the final presentation of the logo and a down note.

The logo fades and on a black screen, words in white appear one at a time.

Keeping Your Eyes Peeled

Lance Warner stands by with an exclusive interview backstage during Uncut.

Lance Warner:

Hello everyone. I'm Lance Warner and welcome to Uncut! I have a man with me now who was successful in our opening match at DEFIANCE Road 2019. Now looking to make a big break for himself in the year 2020 ... this is "The Biggest Boy" Dex Joy!

Joy walks on camera and flashes a polite smile in Lance's direction. He's wearing his brand new "Bundle of Joy!!!" t-shirt and greets Lance with a firm handshake.

Dex Joy:

Lance Lance Lance! Thank you for having me here my friend and a big Happy New Year to you!~

Lance Warner:

Thank you for joining us tonight on Uncut. Let's talk about DEFIANCE Road. You've had a pretty successful tour of DEFIANCE Wrestling so far and you've more than held your own. You managed to get even with Shooter Landell and get a big win.

Dex Joy:

Thanks brother Warner. Shooter was a tough customer and I can see why Gage Blackwood has him on his pay roll. He and Gunther Adler both actually but I think that not only did Dexy Baby prove that he's more than worth his weight around here and boy, that's a *lotta* weight as this girlish figure shows ... but I proved that I'm not here just to hang around in DEFIANCE Wrestling. I'm here to stay and more important than all that I'm here to win!

Lance Warner:

That you are! Now what's next for you in 2020?

Dex Joy:

Well the first thing on my list is gold! I want it, I must have it and I'll fight anybody that DEFIANCE Wrestling puts in front of me to win it. I'm also here on the show because before he has his debut match for DEFIANCE Wrestling tonight, I want to introduce a man like me who is a former student of the former World champion Tyson XL! He is also a bonafide lady killer and has his eyes on the prize that is one day being a DEFIANCE roster member like me! This is my good buddy, Nathaniel Eye!

Dex moves out of the way and a tall, handsome man with dirty blonde hair and pink trunks walks up. He also shakes Lance's hand. With extra exuberance in his voice he slaps Lance's shoulder and almost knocks him over.

Nathaniel Eye:

Hey Lance!

Lance stumbles forward. He adjusts his glasses and tries to gather himself.

Lance Warner:

Well... thank you, Nathaniel. I understand that tonight, you have a match with Thomas Slaine? And Dex has been training with you for it?

Dex pats Nathaniel on the shoulder.

Dex Joy:

You got it! The Biggest Boy is also The Biggest Friend and I worked hard to get Nathaniel Eye here. Eye just needs the experience but he'll be knocking heads with me on the roster soon enough. Right now he's got Thomas Slaine and he's gonna show Mr. Wifebeater that he's on the come-up.

Nathaniel Eye:

Yeah ... I've busted my ass off on the indies for the last couple of years and while I'm a fan of DEFIANCE Wrestling, I ain't here to be a mark, I'm here to make one. And tonight, Thomas ...

Before Nathaniel Eye can get anywhere all three men are cut off by Thomas Slaine brandishing a steel chair. He doesn't use it as a weapon but he does have it ready in case Dex or Nathaniel try something. An uneasy Lance backs away and looks to the two men.

Thomas Slaine:

Thomas what?

Dex wants to say something but Nathaniel taps his shoulder.

Nathaniel Eye:

Nah I got this Dexy Boy.

Dex lets him have his words.

Nathaniel Eye:

Look into Eye's eyes when he tells you something Tommy Boy. I'm gonna beat you ... and I'm gonna look good doing it!

Thomas takes the chair and looks to raise it ... then smiles.

Thomas Slaine:

We'll see if you're still looking good when I have a chance to use this newbie.

Slaine shoots Eye a sinister smile and then backs off from the set. Dex looks at Nathaniel.

Dex Joy:

Well ... that escalated quickly. Into the fire huh, Nate?

Nathaniel Eye:

I wouldn't have it any other way man. I got to start somewhere.

Lance Warner backs off and the interview wraps up.

MINUTE VS. REINHARDT HOFFMAM

HE'S COMING

The sounds of birds chirping and flying high in the clear blue sky is as the scene comes into view. Lots of people are moving and going without a care in the world on this gorgeous day. As the camera slowly pans left we see the White House off in the distance. As the camera fades into the Oval Office and the sounds of "Hail to the Chief" is heard in the background we see the giant leather chair of the President facing out the window towards the Front Lawn. The person sitting in the chair slowly rises with their backs turned to the camera, but they are wearing a custom tailored, navy colored, suit and slowly make their way over to the window as the scene slowly fades before the these words flash over the screen.....

HE'S COMING.

STEVENS DYNASTY Â© vs. STP

A graphic appears on the screen. White text, black background.

The following is the continuation of Stevens Dynasty vs. STP as it occurred at DEFIANCE ROAD 2019 before network issue arose.

Angus:

Are we back Keebs?

DDK:

I thank so Angus.

Angus:

Thank Jeebus.

DDK:

STP and The Stevens Dynasty weren't going to wait for their championship match as the two teams started beating the hell out of each other to the point we lost the live feed.

Angus:

Hopefully, there will be some form of punishment for their actions.

DDK:

We will have to wait and see Angus, but right now officials, DEFSEC, and other wrestlers were able to help maintain order and get them towards the ring and STP has dominated most of the match until a crucial mistake by an overzealous Pietro Geist. Since then the Stevens Dynasty has been all over STP.

Angus:

Tragedy Keebs.

Bo is seen putting the boots to Pietro Geist before tagging in his cousin, George.

DDK:

The big man for the Stevens Dynasty steps inside the ring and proceeds to climb the ropes.

George climbs to the middle rung and begins to bounce a few times before jumping off and delivering a Vader Bomb.

DDK:

10.0 on the Richter Scale and that's all she wrote.

One.

NO!

Pietro press George off of him and the Stevens Dynasty looked stunned.

Angus:

Did he just.....

DDK:

He did Angus. Pietro just pressed his way out of George's ultimate finishing move.

George looks towards his father for advice who simply shrugs.

Cary Stevens:

Don't look at me like an idiot. He kicked out, stay on him!

The patriarch yells and as George looks back at Geist, the Uberkrieger is hitting the ropes and charging at George full speed and knocks the behemoth flying out of the ring with the Autounfall.

DDK:

OH MY!

Angus:

Hold on Keebs!

Pietro makes his way towards the ropes and hawks a loogie at Bo who has to be held back by his father and the two check on George.

DDK:

Geist showing his feelings towards the Stevens Dynasty.

Angus:

A loogie? That's child's play Keebs. I would've taken a shit on them.

Geist makes his towards his corner and tags his partner in.

DDK:

Geist makes the tag to Brody who's salivating for George to get back into the ring.

The mastodon finally pulls himself into the ring only to be turned inside out by a massive lariat by Brody.

Angus:

Knock his head off!

Brody immediate goes for a cover.

One.

Two.

Thr.....

NO!

DDK:

Bo is able to make the save!

Angus:

Lucky bastard!

Bo rushes to his corner and back onto the apron before leaning over and tagging himself into the match. Once inside, Bo dashes towards looking for a lariat himself but it's reversed into a popup powerbomb. Brody rolls into a cover.

One.

Two.

Thre.....

Angus:

The hell is that geezer doing?!?!?!

DDK:

His job Angus.

Cary hops onto the apron to distract Hector Navarro. Brody sees that the official is distracted with the patriarch of the Stevens Dynasty and gets up and goes to hit Cary, but the wily veteran is one step ahead as he hops down.

Angus:

So close.

As Brody continues to exchange words with Cary, Bo starts to recover and he slithers his way towards his opponent and jumps up and grabs him by his neck and drives his knees into Brody's back.

DDK:

Backstabber by Bo Stevens!

Bo crawls into a cover.

One.

Two.

NO!

Brody powers out.

Angus:

The Stone Temple Pilots showing they got fight left.

DDK:

That's not their name.

Angus:

Whatever.

Bo begins stomping away on Brody, but SuperMack seems to be getting stronger and stronger with each blow.

Angus:

Is he smiling?

DDK:

I believe so Angus.

Once on his feet, SuperMack staggers cousin Bo before sending him flying to the canvas gasping for air with a 24K Rush.

DDK:

STP looking to end it here and become the undisputed tag team champions of DEFIANCE Wrestling!

Mack signals for Pietro to come into the ring and tosses Bo to Geist who places him between his legs while Brody climbs the turnbuckle.

DDK:

STP looking for the Aussterben.

Geist lifts Bo high into the air as Mack jumps off and the to deliver a powerbomb and spear combination.

Angus:

Fuck you Derp Dynasty!

Mack quickly hooks the legs but he eventually notices the official isn't counting three to give them the victory because Cary Stevens has swindled Hector Navarro's attention away from the match.

DDK:

Cary has distracted the official once again.

Angus:

Someone needs to do something about this.

As if on cue, Lorelei rushes over and pulls Cary from the apron and the two begin to exchange words before she strikes the Stevens patriarch to the roar of the Faithful.

Angus:

Hit that pig fucker again!

Cary rubs his cheek before a smile forms over his face and he rears back to return the favor only for Pietro Geist to catch his hand.

DDK:

Now Cary is going to get it.

Angus:

I think Cary just expelled all three of his bodily fluids into his pants right now.

Cary begins to beg for his life before the George blindsides Geist from behind. Brody is trying to get the ref's attention who has went to the outside to maintain order.

Angus:

The Nazis had this match won if you it wasn't for that idiot.

SuperMack goes to pick up Bo, but the youngest Stevens goes low bringing the big man to his knees.

DDK:

Bo went low!

Angus:

DQ!

Bo shakes enough of the cobwebs out to hit the ropes a drill Brody in the face with a flying knee.

DDK:

He calls that the Running with the BOs.

Bo falls into a cover and Cary shows Navarro the pin as the official slides back in to begin his cadence.

DDK:

Not like this!

One.

Two.

Three.

Ding. Ding. Ding.

Angus:

Bullshit!

Darren Quimbey:

Here are your winners, and still DEFIANCE WRESTLING TAG TEAM CHAMPIONS AND NEW! DEFIANCE WRESTLING TRIOS CHAMPIONS! THE STEVENS DYNASTY!

Cary rushes inside the ring with all the tag team gold and celebrates as if he won the championships himself.

DDK:

Cary looks mighty happy.

Angus:

I wish I could wipe that smug off of his face.

George helps his cousin to his feet as the trio celebrate their victory. We return to the black screen and white text.
