BUFFALO welcomes DEFIANCE as the KeyBank Center is hyped for DEFtv 187! Pyro explodes from the top of the rampway as the camera reveals there's a giant FIST logo to walk out from and the DEFlatron above the entrance.

Signs and excitement, as always, are everywhere! The scene then goes to the announce table, where Darren Keebler and Lance Warner await.

DDK:

Welcome to night two! We have SEVEN more matches awaiting and look forward to kicking off another huge event.

Lance:

That's right. Titles on the line tonight, as well. The Favored Saints Championship AND the SOHER.

DDK:

The controversial SOHER match...

Lance:

Apparently.

DDK:

I'm sure Justin Sane will hold his own.

Lance:

Anyway...

OSCAR BURNS vs. THE FLYING FRENCHIE

DDK:

What a match we have for you to kick off the show tonight! As first heard on DEF Radio last weekend! The two-time former FIST of DEFIANCE and former Favoured Saints Champion Oscar Burns going one-on-one - making his DEFtv in-ring debut... the multiple-time former world champion and fWo legend, The Flying Frenchie!

Lance:

The Flying Frenchie made a shocking appearance some time ago after Malak Garland had been disparaging the fWo! And though the fWo legend was cheated out of a win by Malak, his time in DEFIANCE may just be getting started. This marquee match kick off the show tonight in grand fashion!

DDK:

Oscar Burns made some rather inflammatory comments towards The Flying Frenchie on DEF Radio, but now he'll have to back them up against a man that's done it all and seen it all in our sport! We're going right to Darren Quimbey in the ring for intros!

Darrren Quimbey:

The following singles match is scheduled for one fall! Introducing first...

The Keybank Center comes unglued as Flying Frenchie walks out on stage, wearing his sparkly wrestling attire once again! The house lights bounce off his signature smile as he stands atop the ramp. Blue, white and red pyro explodes from the stage behind him in the colors of the French flag!

Darren Quimbey:

...From Toulouse, France, weighing in at two hundred and forty two pounds, THE BERET BARRAGER... **THE FLYING FRENCHIE!**

DDK:

What a reaction for The Flying Frenchie! He looks more than ready to bounce back from DEFCON.

Lance:

Oscar Burns, a man who prides himself on his technical excellence, will have to contend with a man who has made an incredibly successful career out of treating the rules like suggestions!

The Flying Frenchie enters the ring and neatly takes his beret off to give to a stagehand before waiting on his opponent.

→ "Stranger Fruit" by Zeal and Ardor →

The lights dim to a simple red and smoke starts to pour out from under the entryway, covering the stage quickly. Out comes Oscar Burns in a very simple ring gear. A burgundy robe. Underneath? Black pants-length trunks, absent the usual Oscar Burns/DEFIANCE logos. White taped wrists and black wrestling shoes. At his side, his stooge, Butcher Victorious trying to keep pace with a fired-up Oscar.

Darren Quimbev:

And his opponent, being accompanied to the ring by Butcher Victorious... from Wellington, New Zealand, weighing in at 237 pounds, representing Vae Victis... HE! IS! DEFIANCE! **OSCAR BURNS!**

DDK:

After Oscar Burns lost the Favoured Saints Title and his stocks and power the parent company of DEFIANCE, Oscar has taken on a change in attitude. He's not playing into this delusion that the people still love him. He's embraced the hate and quite frankly, I'm scared for what that could mean for his opponents.

Lance:

Oscar Burns looking to rebound from DEFCON with what would be a big win in his own right.

When Oscar reaches the ring, Butcher goes to wipe down the steps with the quickness of a one-man NASCAR pit crew. After it has been wiped off, Oscar walks up the steps. He never takes his eyes off The Flying Frenchie, who returns the fabled BEAM~! in kind. Oscar sheds his robe and then steps into the ring. When he reaches the corner, he leans towards the corner and in a blatant show of disrespect, has his back turned to the fWo legend.

DDK:

Oscar Burns spoke about Corvo Alpha suddenly coming out to appear during his open challenge. He didn't feel that Corvo was worth his time in his words, but looked to me like he didn't want any part of a monster off his leash.

Lance:

Jonny Fastcountini with a big task ahead. He calls for the bell...

The Frenchie and The Kiwi lock up and Burns tries to quickly take the left arm of his opponent. He goes behind and applies a hammerlock to control Frenchie, but the fWo legend fights around and now he has one on Oscar! He holds it in place, which frustrates Burns. Burns shifts his weight around and then applies a quick headlock to take control!

Lance:

Both men appear even steven so far. Burns might have the slight technical advantage, but Frenchie has more than twenty years experience to harken back from as well.

DDK:

Frenchie pushes himself back to the ropes... off goes Burnsie!

Burnsie goes flying off the ropes, but The Flying Frenchie catches him with his fabled DROP TOE HOLD~! DDK:

The Flying Frenchie with the advantage now over Oscar! Burns came into this pretty arrogant and he's being taken to task right now.

Oscar tries to get back up by lifting his legs and applying a legscissor, forcing Frenchie to let go. When both men get back up to their feet, Oscar attacks first with a European uppercut! Darren Quimbey:

Here is your winner... OSCAR BURNS!

Oscar Burns rolls up to his knees, while holding his throbbing skull after the match. Jonny Fastcountini tries to raise his hand, but Burns pulls it away.

Lance:

The result of this might have gone a bit different had Frenchie not had to contend with both Oscar AND Butcher Victorious like most opponents do!

DDK:

He definitely gave one of DEFIANCE's best all he could handle tonight, but Oscar and his hypocrisy win out.

As the crowd applauds The Flying Frenchie for his efforts after limping away from the ring, Oscar Burns is front and center in the ring, still on a knee, but calling for a microphone.

LISTEN TO ME

DDK:

What could Oscar Burns possibly have to say now?

Lance:

Whatever it is, I know it's not going to be good!

Oscar takes a moment to catch his breath and is still favoring his neck as he's handed a microphone. After another moment and taking in the jeers of the people he used to refer to as the Oscar Burns Faithful, he speaks up.

Oscar Burns: [huffing]

It's nice... it's nice to get back to what I do best, GCs...

He looks up to the crowd.

Oscar Burns:

...WINNING. Thank you for that incredible match, Frenchie. I mean that.

DDK:

Ugh, how disingenuous can one man be?

Lance:

I don't know, how much time do we have left on the air?

Oscar Burns looks back out to the crowd, still on his knees, but addressing the crowd.

Oscar Burns:

But what I say never stops being true... I'm not just THE BEST in this ring... I'm not just one of the best to ever do it...

He continues.

Oscar Burns:

I... AM... DEFIANCE!

BOOOOOOOOOO!

Butcher is just now starting to come around at ringside, clapping while also trying not to fall over after The Flying Frenchie threw himself at him towards the end of the match. He slowly climbs into the ring to the side of Oscar.

Oscar Burns:

I'll continue to do what I do best... fight quality talent who AREN'T mindless idiots or freak shows like Corvo Alpha. You HAD your chance with me some time ago on UNCUT 100. I'm the first person that choked out Corvo in this company... look it up! I'm NOT afraid of that Lord Nigel simp, GCs! DDK:

They have fought once and that's true... but Corvo is far more dangerous now than he was then just starting out! Oscar is playing with fire here...

Oscar grins... but the crowd reaction starts to change quickly!

Lance:

Wait, what's going on, Darren?

Butcher tries to get into the ring and taps Oscar on the shoulder, but Burns shoos him away.

Oscar Burns:

Not now! I AM DEFIANCE and I'll take all the time I want to sit in my r... AHHHHGGGGH!

RRRRRRRAAAAAAHHHHHH!

CORVO ALPHA POUNCES OUT OF NOWHERE!

DDK:

CORVO! CORVO ALPHA IS HERE! HE'S HERE AND HE'S GOT THE ALPHA CLUTCH LOCKED IN ON OSCAR BURNS!

Burns is FRANTICALLY kicking and screaming while Corvo Alpha has the Alpha Clutch locked in tightly! Butcher tries to kick the monster off of him, but Corvo is completely unfazed by the stomps as Oscar is losing air quickly!

Lance:

BUTCHER IS TRYING TO GET CORVO OFF OF OSCAR, BUT HE'S NOT BEING STOPPED BY THOSE KICKS AT ALL!

Butcher finally gets desperate and STRIKES Corvo with the microphone twice to get the monster to relinquish his grip on Burns' neck! DEFIANCE Himself gets the hell out of the ring while Butcher points and stands over Corvo while the monster is reeling for a moment.

Butcher Victorious:

BUTCH VIC... KNOCKED OUT DOWN WITH MY STICK!

He grabs the microphone one more time... but Corvo snaps his head around! Butcher swings in a panic, but Corvo ducks...

DDK:

ALPHA CLUTCH ON BUTCHER! ALPHA CLUTCH ON BUTCHER! HE'S GOT IT IN!

Lance:

And Burns looks like he's in no hurry to help him!

Oscar heads back up the ramp and is still trying to catch his breath, BARELY being saved by his stooge! Corvo has the hold locked in, kneeling over Butcher while locking eyes with the former two-time FIST and daring him to get back to the ring. Burns wants no part of the monster and continues to stare on from more than halfway up the ramp, scowling at the monster.

DDK:

For the past two shows, Oscar has insisted he's not wasting his time with a man like Corvo Alpha, but the former Favoured Saints Champion ALMOST got his hands on Oscar this time!

Bronson Box & Gage Blackwood vs. The Lucky Sevens

A NEW DIRECTION

The camera switches to the backstage hall where Comments Section goon Thurston Hunter walks with a badass purpose until he arrives at Conor Fuse's locker room door. Hunter knocks but opens the door immediately after, as if he clearly wasn't going to wait for permission.

Conor glances up from the bench where he was initially watching the DEFtv broadcast and replays of Oscar Burns vs. The Flying Frenchie coming back from commercial break. Before Fuse can speak, if he was even going to, Hunter marches over and gets in the gamer's personal space.

Thurston Hunter:

YO brotha, look! I'm-

Conor puts his hand directly in Hunter's face. Like directly IN his face. Half of Conor's palm is covering Hunter's right eye, his middle finger is across Thurston's nose and his full thumb is stuffed inside Hunter's mouth.

The Ultimate Gamer sighs heavily.

Conor Fuse:

Enough, okay? I'm done with your nonsense. I'm not going bad, I'm not leaving The Comments Section...

Fuse sighs once more and looks around the locker room.

Conor Fuse:

And I don't wanna stay here, either.

Conor removes his hand from Hunter's face. The Badass Gangster Wannabe stands silently, trying to take in what Conor just told him. Fuse, meanwhile, leans back against the cold brick wall and closes his eyes.

The silence is drawn out further... until finally Hunter speaks in a much more subdued and grounded voice.

Thurston Hunter:

Well apparently Ryan Scott is sick of "is Conor going bad?", anyway.

Fuse doesn't open his eyes or look in Hunter's direction.

Conor Fuse:

I'm a part of a bad group of people, WTF is the context supposed to be?

Hunter shrugs, Conor stays motionless.

Conor Fuse:

I'm not feeling it, okay? Dex Joy is out there with a title match - and he deserves it, absolutely. I'm just... [sigh] running off low energy, ATM.

The back of Conor's head remains stuck on the wall, eyes still closed, breathing slowly.

Conor Fuse:

I should leave the arena. Not booked. No intention to go out there. Nadda.

Hunter nods along but his body language gives off the impression he may not be fully listening anymore.

Thurston Hunter:

Da fuck? 'Cause you lost a match? Dude, I lose plenty of matches.

Conor Fuse: [quick on the reply]

I know.

Hunter readjusts his feet, trying to pivot from the comment.

Thurston Hunter:

You'll have tons of chances in the future, 'cause you're a badass mother fucking gangsta mofo, yo. ...Who's also part of The Comments Section!

Hunter puts out four fingers and then mouths the word "life" while Conor still hasn't opened his eyes or taken his head off the wall.

Conor Fuse:

I told you, I'm in the Comments Section but I'm also doing my own thing.

Hunter shakes his head no.

Thurston Hunter:

Not the answer, bro. We're tied to you; you're tied to us! If you're not gonna hang with us then you're against us!

Hunter whips his right hand around and performs a Jonas snap.

Thurston Hunter:

So next week grab a buddy [he motions to the TV monitor while another replay of Frenchie vs. Burns airs] -fuck it grab your new buddy Frenchie over there- and meet me and a teammate of MY choosing in the center of the ring, Fuse!

Conor doesn't seem interested because he continues to hold the same pose.

Thurston Hunter:

I do you a solid: bust your ass AND give you motivation all in one! Then you'll see, The Comments Section and ME are the way to be!

He snaps his hand again.

Thurston Hunter:

Brap, brap. Hunter, OUT.

The Gangster Wannabe leaves the locker room.

...Leaving Conor in the exact same spot. Fuse sighs for what has to be the fifth time in such a short period and the scene goes to ringside.

ARTHUR PLEASANT vs. BIG KAHUNA ALI'I

া 'I Against I" by Mos Def feat. Massive Attack এ

Darren Quimbley:

Making his way to the ring first, from Seattle, WA, by way of Pearl City, HI, weighing in at 309lbs... this... is... BIG... KAHUNA.. ALI'!!

The massive islander appears at the top of the entranceway to a nice reaction from the crowd, even if not all of them are overly familiar with him yet. The tribal markings all over his body give him a commanding presence throughout the KeyBank Center of Buffalo. The Buffaloans who do know him, however, are excited to see the big man try and take down the yet-to-be-defeated-since-his-return, Arthur Pleasant.

DDK:

I like this kid, but Big Kahuna Ali'i has a tough task ahead of him here.

Lance:

Agreed. Pleasant may suck as a human being, but he is one of the most dangerous people to step inside a DEFIANCE ring. Not sure BKA is ready for this type of fight, but I'm all for him trying. You just never know.

DDK:

Michael Van Warren came close at DEFCON to beating him. Big Kahuna Ali'i is roughly the same size, give or take twenty pounds.

Lance:

Yup. Good point. And you know what? For that reason alone, I like his chances.

Big Kahuna Ali'i steps through the ropes, military rolling his way to the center of the ring with great speed for a three-hundred-plus pound man. Standing on one knee, he raises his arms like a warrior and screams a primal scream with his tongue out. Glaring at the entrance ramp, BKA awaits his opponent as he stands back up and retreats to his corner.

B00000000000000000!

Two words, followed by two letters, written in signature style, appear on the DEFIAtron with a bleeding effect; this is created by a machete that slices through the bottom of the screen with a violent effect. Arthur Pleasant, meanwhile, has already begun making his way out from behind the curtains.

YOUR NIGHTMARE, AP

Darren Quimbey:

And his opponent, making his way down to the ring, from Under The Midnight Sun in Utqiavik, AK... weighing in at 225lbs... he is DEFIANCE's Worst Nightmare... ARTHURRRRRRRR PLLLLLLLEASAAAANT!!!

Wearing his black and red duster, Pleasant saunters down to the ring with the words "THANK YOU ARTHUR" written on the back in a scratch-type font.

DDK:

Thank you... Arthur? Thank you for WHAT exactly?!

Lance:

I... have no idea.

Shedding the duster, he looks up at Big Kahuna Ali'i, who stares back like a hungry cannibal ready to tear him limb from limb. Pleasant wags his finger at the Impassioned Islander before making his way to the steps. Yelling at Hector Navarro to keep his opponent away, Pleasant cautiously makes his way up the rest of the steps as Navarro complies and makes sure to advise BKA to stay away from Pleasant while he enters the ring.

DDK:

Is it me or does Pleasant seem a bit reticent at taking on Big Kahuna Ali'i?

Lance:

I think you're right, Darren. Something seems off about Arthur here.

But as soon as Lance says this, Pleasant storms the ring and makes it seem like he's going to attack BKA. He stops just short of a giant haymaker from BKA, though, keeping him back. Retreating into his corner, Pleasant smiles at BKA.

DING DING

As soon as Navarro calls for the bell, Pleasant and Ali'i circle each other. It doesn't take long before Ali'i closes the distance between himself and Arthur. But just before he can, Pleasant drops to the canvas and rolls to the outside.

B00000000000000000!

DDK:

Shocker. Arthur Pleasant opts to chicken his way out of the ring rather than put up an actual fight.

Lance:

Did you expect anything less, Keebs?

DDK:

Fair point. I suppose not.

Not wanting to have any of this waiting, BKA yells something Samoan and slides to the outside. Pleasant notices BKA chasing him, and he slides back into the ring. As soon as BKA slides in to follow, Pleasant lays the stomps right to the back of the newcomer's head. Over and over Pleasant stomps him, until BKA is a bit groggy. Guiding him to his feet, Pleasant smashes him in the head with a series of forearm shots. Leaning BKA into the ropes, Pleasant shoots BKA off into the opposite side.

But on the rebound, BKA soars with a flying headbutt that ROCKS Pleasant! The fans come unglued for this as Pleasant holds his head from the impact of the flying missile-like headbutt.

Lance:

WOW. That was...

DDK:

I think I heard the cartilage in Arthur's nose go mush-mush from here!

Shaking the cobwebs, Pleasant is brought to his feet by BKA, who follows up the hug flying headbutt with a scoop slam that echoes throughout the KeyBank Arena. Running into the ropes, BKA flies forward and nails a SPLASH right in the center of the ring!

Holding his chest after the impact of the tree-hundred-plus pound running splash, Pleasant kicks his feet on the mat as he gasps for air. All of a sudden, BKA looks to the audience, who start to chant something!

BIG KA-HU-NA! Clap, clap, clap, clapclapclap BIG KA-HU-NA! Clap, clap, clap, clapclapclap

DDK:

It's amazing how quickly the fans are taking to this guy! Get it, Kahuna!

Kahuna goes to grab Pleasant by his head, but he receives a poke in the eyes for his effort! Navarro sternly admonishes Pleasant for this, who maintains innocence the whole time.

Lance:

Arthur with the Scumbag Special, there!

Kneeing BKA in his back, Pleasant sends the rookie into the middle ropes, throat first. Arthur follows this up by choking Ali'i, and once again Navarro has no choice but to admonish DEFIANCE's Worst Nightmare.

DDK:

Arthur better watch himself here. He's dangerously close to getting disqualified for all his blatant rule-breaking.

Lance:

Wait a minute!

Jestal comes from under the ring, and nails Ali'i in the head with CLUCKY!

DDK:

WHAT?!

Lance:

That damned loaded rubber chicken! What is going on here?!

BKA is out cold, lying lifeless on the bottom rope. All the while Jestal stays below the apron out of sight. Pleasant smiles, knowing, or at least half-understanding, what just went down. Pleasant, realizing this is his opportunity to seal the deal, grabs the unconscious BKA and pulls him away from the second rope. Tucking his head under his arm for a guillotine choke, he squeezes like there's no tomorrow!

DDK

Is this even really necessary? Arthur with the Sleep Paralysis. Good God. That sickening shot from Jestal should've been enough!

Lance:

This one's academic, I'm afraid. BKA deserved better than this. He looked great in the opening moments of this match!

Pleasant latches his legs around Big Kahuna Ali'i, immediately falling to the mat. Navarro sees BKA trapped in the Sleep Paralysis and immediately gets into position on the mat so that he can shake his hand for signs of life. It's already limp and Navarro realizes BKA cannot defend himself. He calls for the bell!

DING DING DING

DDK:

Lance:

Yeah. Blargh.

B00000000000000000!

Darren Quimbey:

The winner of this match due to submission via ref stoppage... ARTHURRRRR... PLLLEEEAAASSSAAANT!!!

Pleasant releases the Sleep Paralysis and folds over in "exhaustion". Forcing himself to his feet like he just won a 100-Person Gauntlet Match, Pleasant raises his hands in victory.

DDK:

Arthur acting like he won the biggest match in DEFIANCE history, all by himself. Despicable!

While the ref raises Arthur's hand Jestal has entered the ring and on his side laying across Ali'i he reigns down fists on the unconscious BKA. Arthur notices this and just decides to join in.

Lance:

Oh, come ON. WHY?!

DDK:

Because Arthur. Man. Ali'i is getting a crash course on making the step up to the main roster here.

Arthur and Jestal just keep stomping the hell out of BKA. Shot after shot, the Samoan Smasher is just getting the life beaten out of him.

DDK:

Why!? What did Big Kahuna Ali'i do to deserve any of this?

The crowd is just filled with jeers as the beatdown continues.

Lance:

Ali'i is defenseless here as he has been knocked silly by a weapon, choked beyond unconsciousness from Pleasant's Sleep Paralysis, and now Arthur inflicts his own version of pain in addendum to everything else!

Suddenly the Faithful's displeasure turns to excitement as Scrow races down the ramp and into the ring. Arthur's attention is quickly taken from the beatdown as Scrow has finally evened the odds. Arthur and Scrow battle it out, but Arthur is finding out quickly that a striking contest with Scrow is not a good idea. Jestal notices Arthur is now on the defense and he rolls out of the ring. Grabbing Clucky, Jestal rolls back in and as he is just about to pounce Arthur is nailed with a chest kick that knocks him over the top rope.

DDK:

Scrow has evened the odds here and Arthur has been kicked out of the ring. Oh but that devious jester is looking for his comeuppance!

The Faithful are trying to get Scrow's attention but The Raven's Eye is jaw jacking with Arthur from inside the ring to

the outside of the ring. Just as Scrow turns around...

DDK:

Ali'i is back up! He just grabbed Clucky out of Jestal's grip.

Jestal turns around, only to have Scrow kick him in the keister right into the grip of Ali'i who has thrown the loaded rubber chicken out of the ring!

Lance:

IMPACT CRATER! On Jestal!

The Faithful pop for Ali'i! He is surprised by their reception for a second. Jestal rolls out of the ring now. Scrow raises Ali'i's arm and the young BRAZEN star finally gets the reaction he has always wanted. Scrow then motions for a microphone as Arthur is backtracking up the ramp. Jestal is staggering about, trying to get to his feet, but Ali'i got the clown on rubber chicken legs. How's that for an analogy?

Scrow:

Pleasant, since you don't mind sticking your nose in other people's business. How about we take this to another level. You and Hobo the Clown there versus [Faithful chuckle at the remark toward Jestal; Scrow points at Big Kahuna Ali'i] BIG Kahuna Ali'i and Scrow in a tag team match on DEFtv 188!

Arthur catches his breath. Checking his mouth for blood after tasting the fists of Scrow, Pleasant looks at Jestal.

Arthur Pleasant:

He [points to Scrow in the ring] wants me [points to self] to tag with [points at Jestal] you?!

As Arthur finishes his sentence, Jestal, Flair Flops in front of him. Rubbing his temples for a moment, Pleasant responds.

Arthur Pleasant:

Yeah, sure. Why the fuck not?!

The audience pops and Scrow looks like he's just attained a measure of victory here.

Arthur Pleasant:

Also? Fuck off. Denying a man's fun. Fucking fun police, you are. Christ on a crutch. And you know what, Scrotch Sweat? You chastise ME for sticking MY nose in other people's business when... THAT'S EXACTLY WHAT YOU JUST DID YOU FUCKING MORON!

B00000000000000000001

Arthur Pleasant:

Yeah, yeah. Boo me all you want. You know it's true. Oscar The Scrowtch over there wants a piece of me in the ring? That's fine and dandy. Bring that big dumb fucking Samoan cliché with the Henna tattoos while you're at it and I'll send him back down to BRAZEN to trade Pokémon cards with my Uncle. I'll see you at 188, Scrow Boat!

Flipping off Scrow and Big Kahuna Ali'i, Pleasant turns toward the DEFIAcurtains, leaving Jestal to his own devices on the ramp.

DDK:

What a huge match Arthur Pleasant just accepted! For the first time since DEFCON '22, Scrow and Pleasant will do battle in the middle of the ring in a tag team match with Big Kahuna Ali'i and Jestal, respectively!

TYLER FUSE & PRINCESS DESIRE vs. DEF-CEPTICONS

With Septimus Tyne and Al Sparks already in the middle of the ring, waiting for their match... a new theme song begins on the PA.

→ "300 Violin Orchestra" by Jorge Quintero →

Once the song picks up, Tyler Fuse and Princess Desire march out from behind the FIST logo and make their way down the ramp with a singular purpose. A singular, SERIOUS purpose...

Darren Quimbey:

This match is a tag team match! Introducing first... the team of Tyler Fu-

Quimbey has to stop because Tyler's already slid into the ring and absolutely decapitated Septimus with a hard clothesline! Meanwhile, Princess Desire tackles Al Sparks to the canvas and unloads a wild amount of forearms into his face!

Mark Shields, the most useless of referees, decides he should call for the bell and backaway all at the same time.

DING DING

DDK:

I guess we're starting.

Lance:

Didn't even have the time to mention the rest of the DEF-cepticons are at ringside. There's Ryan Knox, Megan Kron and, of course, Starscream.

DDK:

Former BRAZEN Tag Team Championships who shouldn't come up too lightly here. They had a solid title reign.

As Keebler says this, Tyler whips Tyne into the ropes and then crushes the tiny man with a knee to the head. Tyler didn't even have to jump or raise his knee more than an inch before it sent the BRAZEN star fumbling inside-out and down to the mat.

Tyler walks to his corner, where Desire is stomping a mudhole in Sparks.

Tyler pats Princess on the back for a "tag". She doesn't stop what she's doing until a trickle of blood starts falling down Al's face. Then, like someone snapped their fingers, she takes three steps back and methodically turns her attention to Septimus Tyne.

Tyne, who's trying to get up but struggling immensely.

WHAM!

DDK:

Damn that's a wicked knee to the temple! Maybe even more impactful than Tyler's!

Desire wastes no time. She peels Sep off the mat and hits an incredible looking brainbuster suplex!

Princess marches to her corner and tags Tyler back in. Fuse races into the ring, latches onto Tyne's waist and connects with a horrifying looking German suplex, dropping Tyne on the back of his head.

Tyne is OUT.

DDK:

Mark, I don't think Septimus can defend himself anymore...

The rest of the DEF-cepticons are trying to tell Shields this, too. Except-

SLAM!

Princess Desire steers the stalky Ryan Knox into the guardrail and then spears the shit out of Starscream. It was done so quickly, neither man could have defended himself. However, now that enough time has passed... Megan Kron, all six-foot-eight of her, looms over Princess Desire as she gets to her feet.

Lance:

Uh-oh... Princess might have bitten off more than she can chew!

Princess doesn't back down. She walks straight into Megan's amazonian chest and glances up to her eyes.

Princess Desire:

Fuck you.

Megan cocks back her right hand but then Septimus Tyne is THROWN into the side of her, thanks to Tyler, who ejects Tyne from the ring! This gives Jane Fuse the opening she needs. The Princess jumps onto the guard rail, leaps in the air and takes hold of Megan Kron's face...

She spins and implant DDT's Megan straight onto the floor with a THUD upon landing!

Desire dusts her hands off and casually walks up the steel steps to her corner. Meanwhile, Tyler is convincing referee Mark Shields that Septimus Tyne actually tagged in Al Sparks (he didn't). Regardless, Shields believes whatever he's told as Tyler Fuse drags a bloody Al Sparks off the mat and connects with a snap piledriver... into a gut wrench powerbomb... into a modified Texas cloverleaf.

Center of the ring.

DDK:

Sparks is also out, just like Tyne.

Lance:

I think Princess gave Al a concussion.

Sparks lays lifeless on the canvas as Shields slides into position and asks the DEF-cepticon if he's going to tap.

Sparks doesn't tap, since he can't hear or feel anything at the moment.

Tyler leans back as far as he can, gritting his teeth, with a half-placed smile on his face.

Tyler Fuse:

Where the FUCK is Teresa now!? Who cares about Jack Harmen!?

The crowd boos profusely until... finally... Mark Shields catches on. He stands and taps Tyler on the shoulder, while Tyler slowly cocks his head around to where Mark is positioned.

Mark Shields:

I think he's out, bro. I might have to call the match.

Tyler shakes his head no.

Tyler Fuse:

I need more time.

Shields isn't sure. Like the referee's voice inside his head is telling him that he's got to call for the bell but then again Tyler said he needed more time, so...

By now, Tyler's grinning like a mother fucker while Princess Desire strolls around the outside of the ring, travelling to all four corners via the apron.

DDK:

Tyler's going to break Al's back if Mark doesn't stop this.

Lance:

It might be too late.

Finally, however, Fuse drops the hold. He stops to receive claps from The Princess before leaning down and plucking Al Sparks from the canvas.

It takes Tyler a while but, finally, Fuse is able to rest Sparks upright on his knees.

Tyler hits the ropes...

CRACK!

The Locomotive, Jack Harmen's finishing yakuza kick, meets Al Sparks square in the nose as blood goes FLYING and he falls back to the mat.

Tyler places a foot on Al's chest as Mark Shields counts.

ONE.

TWO.

THREE.

DING DING DING

The crowd boos as Darren Quimbey stands from the time keeper's table.

Darren Quimbey:

The winners of this match-

But Princess Desire is there to snatch the microphone away from him.

Princess Desire: [to Darren Quimbey]

Missed calling the start of the match, can't call the end!

And she tosses the mic into the crowd.

DDK:

What the hell!? It was YOUR fault Darren wasn't able to introduce you or your opponents!

Tyler rolls out of the ring to meet Jane on the floor. The two of them march up the rampway as their new theme song plays.

THE ESTATE STEALS THE SPOTLIGHT

The lights go out and the crowd has its Pavlovian reaction — especially in anticipation of what could be Teri Melton's grand entrance. But instead the Defia-TRON screen shows Cristiano Caballero and Brayden "Dubya" Leverington walking in the back with Tabitha Kinsey leading the way, ripping off the formation of the now-famous walk-and-talk of Your Uncut Gems.

♪ Theme From Succession ♪

Both of The Company Men are wearing matching Pantagonia Finance Bro monogrammed vests. Caballero is dabbing himself with aftershave lotion, ensuring the feel of his smooth, bronzed skin. Dubya's curled and frosted hair just gives off "douche chills." Tabitha is wearing a plaid/tweed Chanel pose skirt suit, looking every bit the part of someone hosting a \$10,000-a-plate fundraising dinner for a gubernatorial candidate, cradling one of her prized Faberge Eggs.

The boos come quick and loudly as it's clear The Estate of Tabitha Kinsey has stolen the walk-and-talk pre-match introduction made popular by Your Uncut Gems!

Dubya:

StarChild! Raiden! Ennn Deee Arrr. You guys thought you had it made, huh? You thought that you were going to get you first match on DefTV. Well, guess what? You have your first match... but you got it against us. And you are going to not just lose, but you are going to lose everything. For the rest of your careers, you are going to have to live with the fact that we stole your first match from you. We defeated you in your first match on DefTV. And that we crippled you afterwards and stole your careers right when you thought they were starting!

There is only struggle and despair as you fail to pull yourself up by the bootstraps! Once you, The Faithful, accept this and do as you told like the obedient peons you are...

Tabitha pauses as The Company Men make their DiamondHands before turning them upside down in mockery. Tabitha then coyly smirks and moves her hands like Teri, and the spotlight comes on with The Estate of Teri Melton at ringside.

NDR impressed many people in their tenure in BRAZEN and earned a shot at joining DEFIANCE after a lot of hard work, along with the mentorship of the now missing Teri Melton! REZIN

The Favoured Saints Champion strides into the spotlight to a booming ovation, hoisting the title upside down over his head while cloud pyros explode at his left and right. Fire and mayhem is left in his wake as Hell's Favorite Hoosier jaunts down the aisle, feeding off the energy from the fans.

DDK:

Even as a four-time Favoured Saints Champion, "The Escape Artist" Rezin claims to have broken a curse two weeks ago when he finally won his first defense as a reigning champion!

Lance:

A victory that came thanks in part to the involvement of the very man he's defending it against tonight. Vacio apparently had some unfinished business with High Flyer IV in the wake of their match at DEFCON and cost the third-generation superstar a chance at a major opportunity.

DDK-

Time will tell how HF IV responds to that, but for tonight, Victor Vacio will have his hands full in his own challenge for the title, as Rezin is arguably carrying quite a bit of momentum with him into this match! Still, I don't like the look of the Barrio Boys being out here tonight.

Lance:

It's anyone's guess as to if--or when--they will get involved in this.

Rezin performs a loop around the ring, high-fiving ringside Faithful with one hand while holding up the FS Title with the other. Completing the orbit, he hops to the apron and poses with the title once more as fountain pyros plume up from the ring posts. The Escape Artist pumps his fist to get the fans to chant along.

FIRE-IT-UP!! FIRE-IT-UP!! FIRE-IT-UP!!

Rezin steps through the ropes and finds his corner, intensely staring down Vacio and the Barrio Boys across the ring. Between them, ring announcer Darren Quimbey begins the formal introductions.

Darren Quimbey:

Ladies and gentlemen, the following contest is scheduled for one fall, and is for the DEFIANCE FAVOURED SAINTS CHAMPIONSHIP!

RRRAAAAAAAHHH!!

Darren Quimbey:

Introducing first, the challenger! Hailing from Mexico City, Mexico, and weighing in at two-hundred and twenty-six pounds... the LOST CAUSE... VICTORRR... VAAACIIIOOOOO!!

Victor doesn't react to the negative reaction from the crowd, silently tilting his head from one side to the next while staring down the champ across the ring. The Barrio Boys loom ominously in the corner behind him.

Darren Quimbey:

And the opponent, fighting out of Indianapolis, Indiana, and weighing in at two hundred and five pounds! He is the reigning Favoured Saints Champion of DEFIANCE!

RRRAAAAAAAHHH!!

Darren Quimbey:

The ESCAPE ARTIST... the GOAT BASTARD... the FAVOURED SINNER... RRREEEZZZIIIIIINNN!!

Rezin turns to the crowd and pumps the Favoured Saints title upside down over his head, inverting the Fleur-de-lis faceplate to a booming reaction from the crowd.

FIRE-IT-UP!! FIRE-IT-UP!! FIRE-IT-UP!!

The champ nods with confidence as he restlessly paces around his quadrant of the squared circle, and Vacio's entourage excuses themselves to ringside. Rezin hands the belt off to presiding official Rex Knox, who holds it up to the camera for a moment and hands it off to Quimbey to take with him. Both men are ready for action in the corners, and the ref doesn't waste time giving the cue for the bell as soon as the announcer has cleared the ring.

DING DING

DDK:

We have the bell, and it looks like both of these competitors are going right into the lock-up!

Both men dance as they push off each other in the collar and elbow, jockeying for leverage. Vacio swiftly snags an arm and attempts a shoulder lock to wrangle the Goat Bastard to the mat, but Rezin fights him. They struggle for a beat in a brief battle of strength before Victor ends things with a chop that sends Rezin onto his back, keeping hold of the arm to apply a standing wristlock. Undeterred, the Favoured Saints champ kips back up to his feet, spins around to reverse the torsion in his wrist, and sends Vacio flipping to the mat off the counter!

DDK:

Quick reversal puts Victor Vacio on the mat, and now Rezin has control of the wrist! And there's a quick leg drop across the shoulder to go with it! Now Victor is scrambling to the ropes, clutching the arm!

Lance:

A smart move by Victor, getting away before Rezin can get heated up.

Rezin works up the crowd some more before backing into his corner and squatting low, waiting on Victor. Vacio deliberately takes his time as he gets back to his feet, rolls out his neck and shoulder, and comes back for another exchange. This time, Rezin ducks under the tie-up attempt and slips behind, slapping on a side headlock. The Escape Artist cranks on the head, but the Lost Cause plots an escape of his own as he backs himself into the ropes.

DDK:

Vacio into the ropes, looking to push the champion off... but Rezin hangs on and takes him to the mat instead with a bulldog!

Rezin is back up in a flash, but Victor is not far behind him. The champ attempts a standing dropkick, but Vacio swiftly bats it down. Victor delivers a kick to his chest to keep him on the mat, but the FS champ catches it in his hands, rises back up, and counters with a dragon screw! Rezin quickly pops to his feet and pounces into the ropes, getting a loud rise out of the Faithful as he commits into a graceful springboard moonsault... only to anticlimactically land on his feet, as Vacio rolls out to the ringside floor!

DDK:

Nobody home for the moonsault, as Victor Vacio wisely powders out of the ring!

Lance:

Rezin has momentum on his side now, and while the Lost Cause may not want much of anything deep down, he certainly doesn't want this kind of start to his bid for the Favoured Saints Title.

Vacio attempts to buy himself time as Rex Knox begins the ten count, but Rezin doesn't give him the chance as he steps through the ropes, zips around the post, begins to run, and catches the unsuspecting Lost Cause with a running Missile Dropkick off the apron! The Faithful pop resoundingly as the Escape Artist rears his grizzled face skyward and unleashes a primal roar of PUNK ROCK fury!

DDK:

Rezin is absolutely firing on all cylinders, and this crowd is completely behind him!

Lance:

And if the Escape Artist can maintain this energy, he may be on his way to a second successful defense.

Rezin sees his window of opportunity as he slides back into the ring and waits for Vacio to recover. Victor is out of sorts as the Goat Bastard darts into the opposite set of ropes and comes streaking back across the ring like a black blur. Vacio doesn't see him coming... but one of his new cohorts does.

Corey Nunez:

Vamos, jefe!

DDK:

Rezin keeps moving with the SUICIDE DIVE--NO!! Corey Nunez pulls Vacio to the side at the last moment, and Champ instead hurls himself head-first into the barricade!

Lance:

The risk almost paid off, but the Escape Artist did not account for Vacio's new posse getting involved. Now, Victor has the opportunity to take control of this contest.

Rezin's head disappears into the barricade, and his body comically stiffens up like a cartoon coyote would crash into a cliffside before dropping to the ringside floor in a heap. Rex Knox admonishes Nunez for the interference before beginning the ten count. Vacio rallies and further punish the champion with merciless stomps to the shoulders, head, and back. Finally, at the behest of the official, Victor pulls the champ up and rolls him back into the ring.

Lance:

The reigning champ is up first and attempts to pull Vacio up with him, but out of desperation, Victor lands a pair of forearms to the midsection to leave him stunned. Vacio uses the brief opportunity to run himself into the ropes and pounces into them. He comes back with a springboard back elbow, but the Escape Artist instead catches him into a rear waist lock, lifts him up, and twists him over into a powerbomb!

Rezin perched on the top rope... but WAIT! He stalls the moment he sees Corey Nunez on the apron! What does he think he's doing up there?!

Lance:

Apparently, he's not too pleased with the current direction of this match, although I strongly feel he could have picked a better time to voice his displeasure!

DDK:

I'll say! There's a match going on here!

The official Rex Knox quickly goes over to Nunez and angrily orders him back to the floor. Meanwhile, Rezin commits to his REZINSAULT... only to backflip face first into a posted leg from the Lost Cause! Rezin's eyes roll back into his head as he drops to his knees, and Vacio quickly pops back to his feet to cap it off.

DDK:

It's HIGH FLYER IV!! He's HERE!

The face of Nunez is filled with rage. Gerardo Villalobos and Hugo Gonzalez hurry around the ring to back him up. But as soon as they get there, HF IV parkours off the apron and flashes through the air with a twisting dive that lays out all three and earns a massive pop from the Faithful!

Victor Vacio: Tu CABRON!
Hearing one of his many off-the-grid aliases being uttered out loud, Rezin's head suddenly perks up.
Rezin: Do whut now?
DDK: Wait a sec, Rezin to his FEET!

DDK:

Good point. In any case, Rezin comes away with the victory here tonight, with some help from High Flyer IV, who answered Vacio's interference in his own challenge with a statement here tonight!

Lance:

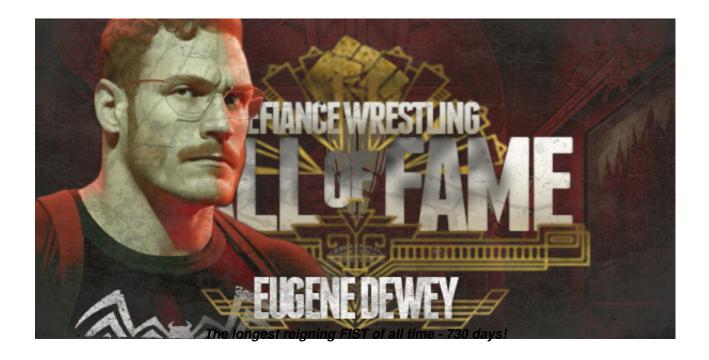

Still, what is the ultimate plan of the Lost Cause as he assembles this new band of followers? And what more will come from this conflict with High Flyer IV?

DDK:

I guess we'll get the answers in due time, although for now, ladies and gentlemen, we need to take a quick commercial break! Don't go away, as we've got the main event coming up next!

While Rezin celebrates the victory, Victor Vacio is resuscitated by the Barrio Boys, returned from their chase of the elusive High Flyer IV. Though defeated, the rage of his hidden face clearly makes its way through the void of his black mask.

REACHING FOR THE TAG

The words "LAST NIGHT" appear in the lower right corner of the screen in red impact font.

Somewhere in the private-parking section outside the KeyBank Center, a man walks towards a row of parked vehicles, a heavy gym bag slung over his shoulder. A showered and dressed Levi Cole pops the trunk of a sedan with the key fob, the car's lights pulsing yellow as the trunk slowly lifts.

Voice:

Hey, wait a second...

Glancing behind him with some suspicion, Cole slowly turns to see a silhouette approaching him. He tenses as he spins in place to face them... then visibly relaxes as the colorful fabric of a professional wrestling mask worn by the figure comes into light.

MV1:

...I was hoping to catch you before you left.

Cole drops his gym bag in the trunk with a thud before turning back to Masked Violator #1.

TA Cole:

What's up?

The masked man hesitates for a moment.

MV1:

I wanted to say thank you.

He puts out his right hand.

MV1:

Yeah, Heavy Artillery jumped us both two weeks ago and I'm sure you wanted to get a measure of revenge but you didn't have to get on that apron and stretch your hand out for that tag.

Cole's eyes go from MV1, to his hand, back to the mask.

MV1:

You didn't have to be in my corner tonight... but you were. And you were a darn fine partner. So... Thank you.

With a nod of the head, Cole reaches out and the two men powerfully shake hands once more.

TA Cole:

It was the right thing to do.

#1 nods back.

MV1:

It was. And I appreciate you being there.

Cole turns back to his rental and closes the trunk with a loud thud.

TA Cole:

I know you were probably a little disappointed that the guy you were hoping would step up didn't... but anyway... we did alright tonight.

A smile stretches #1's red mask.

MV1:

If you'd asked me a week ago if I thought I'd ever lean in to take anyone else's tag ever again, I would have said no. But... ask me right now and you'd get a different answer. I owe you, kid. Anyway... Have a good night. See you out there.

With another curt nod, MV1 turns to leave, the soles of his shoes scuffing on the pavement. Now it's Cole who seems to hesitate... and then overcome it. He calls out to MV1, who stops and turns.

TA Cole:

If you need somebody to stand on that apron again and stretch that hand out... you let me know.

No hesitation this time.

MV1:

I absolutely will. Thanks again.

And with that, both men go their separate ways. For now.

THE LUCKY SEVENS vs. SCREEN 7

DDK:

The Lucky Sevens will be in action for the first time since DEFCON when they take on the returning Screen 7 ... but the big story that we must talk about is the blockbuster match that has been signed.

Lance:

I couldn't believe that news! Former FIST of DEFIANCE, Gage Blackwood, will be teaming up with the DEFIANCE Wrestling Hall of Famer Bronson Box, a *superteam* if there ever was one, against the Lucky Sevens! Gage has come back with a singular focus at the moment and that's making the Lucky Sevens pay for taking away a year of his career by putting him out with injury!

DDK:

The match was made official with the Lucky Sevens telling the trio of Blackwood, Box and Harmen to watch this match closely. Screen 7 are going to need all the luck they can get tonight. No pun intended there.

→ "Hello, Zepp + Overture" from the Saw movie →

The lights fade to complete darkness, save for one set of lights on the stage. Darren Quimbey:
