SGT. SAFETY vs. PAUL DUNSON

DDK:

Welcome, ladies and gentlemen to UNCUT! DEFtv 198 kicked off the final road to DEFCON and we already have two MAJOR matches signed for the biggest show of the year!

Lance:

That's right! For the FIST of DEFIANCE, Dex Joy will defend the title against the #1 Contender, Malak Garland with a special stipulation to be named by both champion and challenger! We also have brother versus brother for the first time ever! Conor Fuse one-on-one with Tyler Fuse! The winner of that match will become the new ACE of DEFIANCE with a guaranteed title shot they can use in advance for up to one year!

DDK:

And tonight, we've got three matches on tap! BRAZEN's Dunson Clan are hoping to capitalize on some of the buzz gained by BRAZEN on behalf of current Onslaught Champion, Punch Drunk Purcell, knocking out the first FIST of DEFIANCE, Edward White! Up first, a former Onslaught Champion in Paul Dunson takes on main roster member and cult favorite Sgt. Safety! That match is right now!

Darren Quimbey:

The following contest is your opening match and is set for one fall! Introducing first...

♪ "Safety Dance" by Men Without Hats ♪

Darren Quimbey:

From Chicago, Illinois, weighing in at 220 pounds... he is Officer of OSHA and The Safest Man in DEFIANCE... this is **SGT. SAFETY!**

The fans cheer as Sgt. Safety comes out with a shiny new decibel meter that he can now afford on a main roster member's salary. The crowd cheers get louder as he points it to different sections of the arena to see who can make the most noise! After he does, he steps into the ring and then holds it out one more time for each side of the arena before handing off the decibel meter. Once he reaches the ring, the Canadian Faithful wait for his opponent.

Out from the back, all alone in plain black trunks, black knee pads and white boots, out comes Paul Dunson. He balls up a fist and points to the ring.

Darren Quimbey:

And his opponent, from Mt. Hope, Virginia, weighing in at 230 pounds... **PAUL DUNSON!**

When Dunson reaches the ring, the head of the Dunson Clan climbs into the ring. Once he is inside, the masked BRAZEN referee known as... well, The Referee, calls for the bell.

DING DING

The Sarge gets ready to lock up and wiggles his fingers, inviting Dunson to do the same. The bitter BRAZEN star gets a hand up.

DDK:

Here we go! Sgt. Safety one-on-one with Paul Dunson. Dunson will play dirty and take any shortcuts he possibly can... oh, just like that eye rake!

Instead of a traditional lockup, Dunson goes for the eyes! The elder statesman of BRAZEN locks in a headlock after the advantage gained by the dirty maneuver and keeps it locked on. Sgt. Safety tries to regain his bearings, then leans back into the ropes. He shoves Dunson forward and when he comes back, he jumps over with a quick leapfrog. Dunson comes back again, only for The Officer of OSHA to snap him over with a beautiful arm drag!

Dunson kicks out, then rolls away until he's under the bottom rope. Safety goes after him, but Paul now clings to the bottom rope and tells The Referee that Safety is a menace. The Ref and Safety exchange glasses and look at Dunson like he has a turd hanging out of his mouth.

Lance:

Did he just say SGT. SAFETY was a menace?

DDK:

Sadly... yes. Dunson now hiding in the ropes... wait! He grabs Safety's arm! Ooh! He snaps that arm over the top rope!

The booing comes out and Dunson acts like the smartest man in the room when he taps a finger to his head. Safety is now hurt in the ring and holds onto his arm when Dunson comes in and drags him to the canvas with a painful single arm DDT!

DDK:

Dunson does know his way around a hold! He's targeting the arm!

The opportunistic Dunson gets back to his feet and starts mocking Sgt. Safety by holding his own arm. The Faithful continue to jeer him when he comes off the ropes and the 54-year-old hits a low dropkick of all things, catching Safety right in the mouth! The Sarge hits the mat and then Dunson decides to go for a cover by pinning the left arm down!

Dunson continues to crank the neck as The Faithful start a chant...

SAFETY!

SAFETY!

SAFETY!

DDK:

Can Sgt. Safety get out of this hold? He's got an arm and his neck literally trapped!

With The Faithful willing him on, he starts to get back up to a knee and tries to fight his way out by moving his free right arm up and then elbowing Dunson in the rib cage. He does this until he can free his left arm, then gets up and drops to a knee with a jawbreaker that rocks Dunson!

DDK:

There we go! Sgt. Safety able to free himself from that submission hold! He's in the corner, but Dunson isn't too far behind!

Lance:

Both men are back up!

The angry Dunson Clan figurehead holds his jaw, then is left seeing red when he looks across the ring at Sgt. Safety, but he gets rocked with a running flying forearm in the corner followed by Safety catching him outside the ring with a running bulldog that plants him face first into the mat! The Officer of OSHA shakes his left hand to make sure it's still working, then gets back up to his feet and gestures in the direction of the turnbuckles!

DDK:

Sgt. Safety might be thinking it's time for The Crash Pad! He's going out to the apron now!

With Dunson still rocked from the forearm and the bulldog, Safety heads up to the top rope and then takes flight with a huge diving crossbody!

DDK:

Right on target with the Crash Pad! Will the diving crossbody lead to the win?

Dunson kicks out! Safety looks at The Referee to ask him if that was a two or a three. When he gets two for an answer, he respectfully takes the decision instead of making a dumb fake shocked face.

Lance:

After knocking Dunson loopy, he waits on the BRAZEN star to stand. He runs off the ropes and looks for Safety First, but the leg drop bulldog is evaded with a shove. When Safety hits the ropes, Dunson catches him with his signature small package!

After trying to valiantly fight on behalf of his cousins, Lonnie Stone - outed by Tom Morrow as their cousin, Lonnie Luck - is being helped through one of the backstage hallways.

Lonnie Stone:

No ... no! Come on, I'm not done with de Vargas!
