## WHAT AN ENTRANCE

The show opens to Mil Vultas making his way through the parking lot to a pop from The Faithful. Wearing a green and white track suit with his Mexican-themed mask, The Man of a Thousand Flips looks like he's on a mission-

Until suddenly someone shows up from behind and shoulders Vultas into the hood of a nearby car!

**DDK:**

That's... Tyler Fuse!

The crowd boos upon seeing Fuse come into focus, wearing black jeans and a black t-shirt. He hovers over top of Mil before lifting Vultas and throwing him shoulder/head first into another hood.

More boos reign down as Tyler pops Mil with a left hand under the jaw. Mil falls to his knees as he struggles looking at his attacker.

Tyler shakes his head.

**Tyler Fuse:**

Show me up?

Fuse kicks Vultas square in the chest.

**Tyler Fuse:**

Everything I said about you is true.

Tyler drags Vultas off the cement floor...

**SMASH!**

And hip tosses Vultas on top of a windshield, cracking the glass as Vultas' back lands upon it and he shouts in pain. Fuse marches over and takes Mil by his head. Meanwhile, Princess Desire, Jane Fuse, leisurely strolls into the picture from off in the distance.

**Tyler Fuse:**

Hanging out in the parking lot, it's kinda become my thing.

Fuse peels Vultas off the windshield. He slowly marches both of them towards the arena.

**Tyler Fuse:**

It's nice to hold the door open for others.

Fuse smirks. He throws Vultas as hard as he can THROUGH the arena entrance doors. Vultas' body flies into the building as the doors swing back and forth thereafter.

**Tyler Fuse:**

But you're beneath me.

Tyler slowly dusts his hands off as he marches over to the fallen Mil Vultas, who's now laying motionless on the ground.

**Tyler Fuse:**

HAD TO SHOW ME UP, HUH?

Princess walks up to Tyler and hands him the ACE of DEFIANCE.

**Tyler Fuse:**

I'M the next FIST.

Fuse spits on Vueltas' back.

**Tyler Fuse:**

What the hell are **you**?

He walks off as Jane follows behind. Mil is seen BARELY moving after all that's been done to him, groaning in pain as the scene fades.

## CYRUS BATES vs. BUTCHER VICTORIOUS

### DDK:

What a vicious attack from Tyler Fuse on Mil Vueltas to kick off the show! We will try and get an update on Mil's condition before the night is over. But right now, we've got to switch to in-ring action to kick off tonight's show! Butcher Victorious is in action against Cyrus Bates!

### Lance:

Both men are looking for a rebound win. Butcher Victorious has been embroiled in issues with Vae Victis member DLJ, back from when he upset Oscar Burns and defeated him at DEFCON! ### DDK:

Indeed! Can Butch Vic get back on the winning track before he takes on DLJ at MAXDEF? Or will Cyrus Bates play spoiler tonight and get himself in the win column? Let's go to Darren Quimbey for the in-ring introductions to tonight's opening match!

**Malak Garland:**

Christie, he should be arriving any minute now.

**Malak Garland:**

Newbludd raises a calming hand up to Malak and grins.

**Brock Newbludd:**

Don't be like that, son. You know you can always talk to Papa Brock about your feelings.

Malak raises a finger, asking the room for complete silence.

**Malak Garland:**

Brock. LISTEN! I've heard the pundits online trying to troll me about how unfairly I've treated you and that seeing you've gone through all these trials and tribulations, that you ACTUALLY do deserve a title shot. A legitimate one. A real one. For the FLAKE of DEFIANCE and while my interest with you has waned like it does after shitposting on a reddit thread after five minutes, I have to admit that everyone is right. I have put you through alot and you probably do deserve a title shot so here is what I'm PROPOSING. It's a big deal.

Malak rises from his chair as Siobhan stays clinging to his arm. Garland locks eyes with Brock, face to face.

**Malak Garland:**

By the power vested in me, I will grant you a main event shot for my belt at MAXIMUM DEFIANCE. Under one condition.

The Frozen Flake glances down at his girl for a moment.

**Malak Garland:**

I said love is what you'll get and I mean it. I love this idea for you. I love it for everyone because when I defeat you at MAXIMUM DEFIANCE and you don't take my belt away, your loss will give me consent and not only your blessing but Pat Cassidy's blessing to marry Siobhan.

The crowd can be heard reacting with 'Whoas' as Christie Zane looks on with shock. Brock remains stoic, even though he wants to punch the FLAKES lights out.

**Brock Newbludd:**

Is that a serious proposition or is your brain starting to actually freeze from sitting in here like an idiot?

**Malak Garland:**

Not only that, but it will mean that Pat will stand as my best man and oh yeah, you will be the officiant of the ceremony. So if you somehow win, sure, congrats, you're the new FLAKE of DEFIANCE but if I win, I get to propose to Siobhan right after the match and we will be wed in holy matrimony under the progressive chakra Gods at the following DEFTv. Deal? Or is it too much for you to see your ex happy with someone else?

Newbludd snorts and shakes his head. He takes the briefest of moments to think things over.

**Brock Newbludd:**

So basically I can kill two birds with one stone? End your sham of a title reign and prevent the un-holiest of matrimones from happening with one simple ass kicking? Hell, you got yourself a deal.

Grabbing another popsicle, Newbludd glances at Siobhan and then back to Malak.

**Brock Newbludd:**

You know what? I DO love this for me. Catch ya later, shitbags.

Smiling from ear to ear, Brock walks off camera. Malak cozies up with an excitable Siobhan Cassidy. She can't help herself. She has to whip out her phone right then and there and start doom scrolling through dress options.

## IT'S TIME FOR COMMITMENT

Backstage, a moving camera! The camera man is clearly sprinting to keep up with Christie Zane as SHE jogs at a brisk pace with a mic in her hand. As the screen disorientedly bops up and down, Zane finally catches up with her target: a civilian-clothed Pat Cassidy. His arm is in a sling, but it's him. He is also walking rather quickly, hence the sprint to reach him.

**Christie Zane:**

Pat! Pat!

Cassidy stops right in front of the same freezer that Malak was found in earlier. He slowly turns to Zane with fire in his eyes and a beat-red irish american face.

**Pat Cassidy:**

What!?

**Christie Zane:**

I just wanted to get your thoughts...

**Pat Cassidy:**

Lemme stop yah right there. My thoughts on that bullshit Gahland spouted tonight? Lemme tell you this, Christie: I came hea because tomorroah night I was gonna give an update on the surgery.

Cassidy lifts his arm sprint by way of demonstration.

**Christie Zane:**

...how did it go?

**Pat Cassidy:** *[sarcastically]*

It went FUCKIN' great, thanks for asking. But who cares now!? Did you hear that [BLEEP]? A stipulation that Malak [BLEEP]ing Gahland is gonna marry my sister!? Siobhan may be a Grade A [BEEP] lately, but I can't stand by and let this...

We never find out what he was going to say, as he is attacked from behind by Cyrus Bates!! Zane screams and leaps back, and the one armed Cassidy goes down with a yell. That yell turns into a cry of rage as he attempts to spear Bates, but he doesn't quite have the footing, and the strong Cyrus is able to stop his momentum and begin firing shots into his ribs. Bates is then joined by Teresa Ames and Thurston Hunter, and valiant as he might be, The Saturday Night Special is no match for those odds... especially in his condition.

**Christie Zane:**

Leave him alone! He's hurt!!

**Teresa Ames:**

Oh, is he?

She laughs sadistically as she sends a sharp kick right into Cassidy's injured arm.

**Pat Cassidy:**

[BLEEP]!

The three of them continue to put the boots to Cassidy who is now bleeding from the face and desperately trying to cover up. However, the trio take a step back as Malak Garland and Siobhan Cassidy enter the frame. Malak tugs Siobhan by the wrist, never letting her go as they gaze down at Pat Cassidy.

**Malak Garland:**

I know that must've been painful for you to watch, Siobhan. Your big brother just got his dose of reality but like also, you deserve to witness that beating because Cassidy is your last name. I tried to beat the Cassidy out of him but it's still there and unfortunately, it will still be inside you too. For now. We will change that. We will rectify everything, honey. Don't you worry. You picked the winning side. It's time the real truthful REALITY settles in nice and deep down inside Patty cakes.

Garland kneels by one half of SNS, all the while jerking Siobhan's hand around.

**Malak Garland:**

Pat, this is what you've signed up for. Your partner is going to lose to me and then WE become one big happy family. Love that for you.

Garland slides a bit to land one knee on the ground while facing the love of his life. He mocks a proposal all while Pat helplessly reaches out in pain.

**Malak Garland:**

It's time for commitment, sugar. Siobhan, I cannot wait to marry you. It's the missing piece to all this. I have the belt. I have the glory. I have the fan's adoration. All that's missing is you and everyone can mark my words that as soon as we get married, we're going to crossbreed in the most natural ways possible. You'll be my bride and I love that for you.

They run off, chuckling like the pair of idiots in love they are. Looking completely shellshocked from what transpired in front of her, Zane looks around frantically.

**Christie Zane:**

We...we need some help here!

*"What the hell!? Cass!? CASS!"*

Brock Newbludd suddenly appears and he instantly rushes over to his unconscious friend, dropping down to a knee next to him. He looks up to Zane with anger in his crystal blue eyes.

**Brock Newbludd:**

What happened, Christie!?

Zane stutters and Newbludd slams a fist into the freezer door behind him, causing her to slightly snap out of her stupor.

**Christie Zane:**

It was Malak...Malak and Siobhan and The Comments Section...they just attacked and...

Another angry fist into the cooler cuts her off. Putting a hand on Cassidy's chest, Newbludd shakes his head.

**Brock Newbludd:**

And now they're going to pay. You hear me!? Malak Garland...that bitch Siobhan...I'm comin' for all of em'!

Eyes wide in anger, Newbludd is pulled away from Cassidy by DEFSEC and members of the medical team quickly surround his fallen best friend. One final shot of the battered and bloodied face of Pat Cassidy is shown before the screen fades to black.
