FLEX vs. TRIPP WISE

DDK:

Welcome one and all to UNCUT! I'm "Downtown" Darren Keebler and as always with me at the helm calling the action, my broadcast partner-in-crime, Lance Warner!

Lance:

Thanks, Darren! We have three matches on tap tonight! In the house, before he takes on Ami Troy next week... Archer Silver will be in tag team action with LET tag team partner, High Flyer, against two men that Silver put out of action for weeks! Nicky Synz and Strong AF!

DDK:

Our special main event will have a battle of the giants in BRAZEN! The former Onslaught Champion known as 1099 takes on the 7'3" Third Generation Giant, ROWZILLA! With the BRAZEN Championship on the line!

Lance:

But up first, we have FLEX returning to active duty after also being injured by Titanes Familia! We saw FLEX come to ringside and play cheerleader for Butcher Victorious and Janna Ray and helping them to victory over Dan Leo James and Brooklynn Rivera! It was those two and Mil Vueltas that put FLEX out of action for the past eight weeks!

DDK:

It seems he wants to be a member of The Lads? With PCP no longer here and the GC Universe disbanded, FLEX may seem lost, but tonight he's in action against another face we haven't seen in a moment, "The Wise Ass" Tripp Wise! I'm told he was on a "successful" comedy tour these past few months, but stated that he wouldn't tell me where cause I couldn't afford tickets.

The camera cuts to Darren Quimbey in the ring!

Walking out from the back with purpose, FLEX walks out from the back with a hood covering his head and a golden shroud covering his body. He throws the shroud off, to reveal the amazing physique that he has been famous for! Wearing bright gold tights and wrist tape, along with white kneepads and boots with gold lines, FLEX basks in the jeers. He points to both sides of the stage and actually gets some cheers from The Faithful with a blue and yellow LADS headband on!

Darren Quimbey:

The picture of confidence, the stand-up comedian/wrestler struts to the ring to the beat of his music. Entering the ring, he gestures for a mic as his theme dies down.

Tripp Wise:

I'M BAAAAAAAAAACK!

The fans in the Enterprise Center don't sound that enthused and give him some booing in return.

Tripp Wise:

I took some time off to get my mind correct! To write some new material! Just coming off a great Las Vegas residency after my critically reviewed one-man show "You Must Be Trippin" went viral!

Lance:

It should be noted that Tripp Wise only went viral after attacking a fan and was rumored to have been suspended for the past few months as a result.

Tripp Wise starts to enter the ring.

Tripp Wise:

And while I worked on new material, here I see FLEX still flashing his same dumb muscles! Still with the same dumb expression! Got kicked out of PCP! Got kicked out of the GC Universe! Gonna try and join The Lads so you can get kicked out of their group too! God... tell a different joke, bud!

FLEX backs up after Tripp gets into the ring. When Tripp tries to shoulder-check FLEX on his way to hand over his coat, he gets a BIGGER shoulder-check in return that knocks him on his ass! The Faithful cheer for the big man!

Lance:

That'll teach Tripp Wise to run his mouth!

To be fair, he probably won't, but he deserved that!

To cheers from the crowd, FLEX picks up the microphone and shouts over him.

After being gut-checked, Tripp gets PITCHED up and over a second time with a huge overhead belly-to-belly suplex! Wise's jaw is wide open in pain as he winces and rolls outside of the ring to try and save himself from a further beating.

DDK:

Tripp Wise has yet to land a single offensive move in this match!

As Wise turns around...

FLEX:

Nah, man, you're gettin' these biceps!

He pulls Tripp out and then throws him back inside the ring! Tripp crawls towards Rex Knox and grabs him by the pant leg!

Lance:

What on Earth is Tripp Wise doing? Pleading for mercy?

Wise doesn't endear himself to The Faithful by his cowardly tactics, but when FLEX tries to get back into the ring, Wise gets a desperation kick to the left kneecap! FLEX buckles and falls to a knee! Tripp is able to spring back into action and then runs right at his opponent, using FLEX's knee to score with a modified running enzuigiri!

He looks at Jamie as if she just ran over his puppy and needs to go John Wick on her, as bits of his sandwich flop onto the floor.

Jamie Sawyers:

Harmen looks from side to side.

Jack Harmen:

Jack Harmen:

Jamie Sawyers:

Harmen quickly jerks his head to Jamie, who tugs his collar again.

Jack Harmen:

Do you want to apologize to me for that last very dumb comment of yours?

Jamie Sawyers:

Uh. Oh of course. But uh... Do you want to apologize to Lonnie Luck for what you did to gain that championship on your shoulder?

Sawyers motions to the belt, but Harmen looks like he's about to bite his finger off if Jamie reaches even an inch closer. Sawyers wisely retreated their hand.

Jack Harmen:

Good boy. Now, why would I apologize? For what exactly? I was very transparent. I told Lonnie exactly what I was willing to do to win this title, and I did just that. ARCHER SILVER & HIGH FLYER vs. NICKY SYNZ & STRONG AF

DDK:

We've got tag team action up on deck with Les Enfants Terribles in action! After coming off a big win by spoiling the PPV debut of Heirs to The Throne, they now take on a pair of men that Archer Silver injured with what has become his most dangerous weapon, that Arrow In Flight knee strike!

Lance:

That's right, LET takes on the team of Nicky Synz and Strong AF! While not a regular tag team, they have joined forces tonight to try and get some payback on the the cocky multi-generational stars!

DDK:

With that in mind, let's got to ringside for the next match!

The opening bell rings as Darren Quimbey is ready to announce the participants of the next match.

Darren Quimbey:

The following is a tag team match set for one fall! Introducing first...

¹ "Good L ck, Yo 're F cked" by Celldweller ♪

The hard-rock opening heralds the arrival of the hungry young multi-generational talents. Stepping out on stage, a tall man under a silver coat with gold trim! Basking in the jeers of the Albuquerque Faithful, arms wide open, he then starts a slow walk towards the ring with some shadowboxing thrown in. Next to him, High Flyer holds out his arms with both men decked out in the LET signature "I BOO YOU!" shirts!

Darren Quimbey:

At a combined weight of 467 pounds... "THE GREATEST" HIGH FLYER... "THE PRINCE OF PRICKS"... ARCHER! SILVER!... LES! ENFANTS TERRIBLES!

A sadistic smile can be seen from under the hood, but his eyes aren't visible to The Faithful. High Flyer walks alongside Archer and throws off the flag! Archer climbs up the steps and poses on the ring apron while Flyer poses on the middle buckle and takes in the jeers.

→ "Good F***king Music" by Solange (covered by Synyster Sledge) →

Nicky Synz, your favorite rock star and mine, emerge through the curtain to a nice positive reaction to his theme song! Synz's long blond hair ripples in the wind as he headbangs along with his theme song. Scanning the audience in the Enterprise Center, the always popular Synz continues to headbang and slap the outstretched hands of some of the younger fans in attendance. Right behind him and less in a mood to headbang, the powerhouse Strong AF walks behind him in his dark green trunks, knee pads and wrestling boots just ready to hurt someone.

Darren Quimbey:

And their opponents... at a combined weight of 476 pounds... the team of NICKY SYNZ! AND STRONG A! F!

Synz is on the apron, playing a little riff and rocking out, before he enters the ring. He jumps up the top rope and plays a little more guitar for the people and then hands off his signature Flying V to a ringside attendant and awaits the arrival of his opponent. Strong AF just looks across from the ring at Archer Silver, who mockingly waves at the two long-time vets of DEFIANCE.

Lance

You can feel the entitlement oozing off of them, can't you?

DDK:

I may not like their approach, but these two men have had the division talking, that's for sure!

The bell rings with Nicky Synz and High Flyer ready for the bell.

DING DING

Nicky Synz runs right at High Flyer and clocks him with a big forearm! And before he can even make a move to react, Synz charges at the corner and clocks Archer Silver with one as well! The blow knocks him off the apron as Synz points at his face.

Nicky Synz:

That's what you get for breaking my nose!

Lance:

Look at Nicky Synz go! We know that his won-loss record may not reflect his heart, but there is no give-up in this kid!

Flyer tries to grab Synz and hits a back suplex, but The Frontman flips over the Greatest of the High Flyer line and lands on his feet behind him. He kicks Flyer in the stomach and tries to whip him off the ropes, but the LET member puts the brakes on and sends Synz into the ropes! He ducks down and Synz leapfrogs over him to hit the ropes, then comes back with a big flying forearm!

DDK:

Synz and Strong AF haven't forgotten about what Archer did to them, nor have they forgot that High Flyer was watching and laughing the whole time!

Synz whips Flyer into the ropes and hits a running back elbow in the corner. He tags Strong AF and then rolls out of the corner before following up again with a running shoulder thrust in the corner, leading to a big powerslam from Strong AF! The Seattle Strongman looks out to The Faithful and the two DEFIANCE vets get some cheers!

Lance:

Look at them go tonight! Both men came out here with a point to prove!

Strong AF snatches High Flyer up by the neck and then holds him up for a delayed vertical suplex. He shows off his strength...

But Flyer shows off his agility and slips out behind the big man. When the powerhouse turns around, Flyer lights him up with an EXPLOSIVE standing dropkick to the head that knocks him clear off his feet! Flyer waits a moment and then kicks his legs up in overdramatic fashion before kipping up to his feet and then taking a bow!

DDK:

I think we spoke too soon!

Nicky Synz is shocked by High Flyer turning things around, but before he can do anything about it, he's SNATCHED off the ring apron by Archer Silver and then whipped violently into the guardrail outside the ring!

Lance:

And just like that, LET have taken control here!

Silver stands over Synz with a boot down on his neck against the guardrail, talking trash to The Frontman!

Archer Silver:

Wanna cheap-shot ME, you little bitch?!

Referee Hector Navarro yells at Silver to get back to his corner and he finally does, but not before throwing an extrastiff kick to Synz' rib cage!

DDK:

Archer does NOT like to be shown up! It's part of that Silver DNA that they don't like being shown up like that!

High Flyer leans over the ropes and starts guffawing right in Nicky's direction as Strong AF tries to get back up. Flyer makes the tag to Archer Silver and both men go to work on the Seattle Strongman. Silver BLASTS him with a big shoot kick to the chest, followed by a huge chop from Flyer! They repeat kicks and chops in that order before Silver grabs Strong AF and hits a snap suplex on the 260-pounder! Silver rolls out of the way as High Flyer leaps to the nearby ropes with no hands and then connects with a big lionsault off the middle rope!

Lance:

Literally no hands used for balance on that springboard moonsault! Great work here by Flyer!

DDK:

Strong AF and Nicky Synz came out of the gate strong despite not being a regular tag team, but Flyer and Silver have been perhaps the most successful tag team in BRAZEN history. Former three-time Tag Team Champions!

While Strong AF is hurting from the series of moves, Silver stands over the former powerlifter and starts peltilng the back of his head lightly with insulting taps.

Archer Silver:

All them muscles helping you now, dumbass?! Huh?

Before Strong AF can do anything, he eats a particularly NASTY kick that catches him right between the bridge of the nose, sending him falling back to the mat! The Faithful are in collective shock!

Lance:

OH, MY WORD! HE MIGHT HAVE A BROKEN NOSE! THE SAME THING HAPPENED LAST TIME SILVER WRESTLED SYNZ!

Synz is barely able to get back onto the ring apron, just in time to see Strong AF protecting his nose. Silver hones in on it and starts hooking the jaw and nose making him howl in pain!

DDK:

Hector Navarro may need to step in at this point and do something!

Speaking of, Navarro tries to get involved and gets in close, but Silver won't let him! He grabs onto Strong AF and then leads him to the corner before stepping onto his face in the corner with Standing on Business! Strong AF is shouting out again with the 245-pound Silver aggressively attacking his face!

DDK:

Come on, Hector! You gotta end this! If he doesn't have another broken nose, he might soon!

Navarro gives Silver a five-count but The Prince of Pricks leaps off at the count of four and tells Navarro to lighten up. Strong AF crawls out of the corner, but Silver cuts him off with a swift elbow and then goes over to tag Flyer! Flyer leaps up in one fell swoop and then hits a cannonball senton off the top rope to the standing Strong AF! After landing, he leaps up and CRACKS Synz off the apron with another powerful dropkick!

DDK:

Those dropkicks are things of beauty from High Flyer! Both he and Silver's styles are so different, but they gel so well together as a duo!

Flyer then reaches over and makes the tag to Silver once again. With Strong AF still dazed, Flyer runs over and hits the muscle man with a kick and then goes to the apron to wipe out Synz with a tiger feint kick around the ring post! Silver is wide open to go after Strong AF...

Lance:

We could see the title change on a referee stoppage if Rowzilla fades!

Despite 1099 choking the life out of him, the Third Generation Giant gets his hand up and shakes it with the DEFIANCE Wrestling Faithful cheering him on the whole way! 1099 tries to clinch the tape-assisted choke even tighter, but Rowzilla shocks him by grabbing him by the side and then planting him firmly with a side walk slam!

DDK:

What a counter! Rowzilla just took down 1099 and overpowered him with that side walk slam to counter that illegal choke!

Rowzilla does his best to catch his breath. He gets 1099 up to his feet and puts him at the corner before he charges and collides with a huge running corner splash. Giving the signal for one more time, he sends 1099 the other way with a whip and charges across the ring to crush him with a second splash! 1099 is stunned when he gets doubled over backwards with an inverted facelock. Rowzilla swings his right leg around and drops him down with a massive leg drop!

DDK:

Rowzilla calls that the Soul Crushing and that's exactly what that inverted headlock leg drop just did!

Lance:

He's showing some unique offense tonight!

Rowzilla takes hold of 1099 and then scoops him right up! He looks out ...

DON'T LOOK DOWN!!!

No way! He hit Don't Look Down on 1099! That chokeslam out of the Canadian back breaker has beaten everyone in BRAZEN and it might have just claimed another victim!

Bhazen and it might have just claimed another victim:
1099 is planted and Rowzilla hooks the leg for the cover!

Rowzilla gets up and is awarded with the BRAZEN Championship! He grabs the title belt and raises it up!

Quimbey:

THREE!!!

Your winner and STILL BRAZEN Champion ... ROOWWWWWWWWZILLA!!!!

After logging another successful defense in the books, the big man grabs the title and then he holds it up for everyone to see!

Lance:

Big win here in our main event from Rowzilla! 1099 had a few tricks up his sleeve, but Rowzilla fought through it and retained the gold!

DDK:

Very big things could be in this kid's future if he keeps working like this! Thanks for joining us on Uncut! For Lance Warner, I am Darren Quimbey! Join us for DEFtv next week!

Posing in the ring one more time, Rowzilla holds the BRAZEN Championship up high!
